with a beautiful ceremony that went on all night and was full of sweets and laughter Emily ran the Magical Candy Shop so well that it did very well As Lily had told her to she used her magic to make people happy who were sad and to create new magical sweets that amazed and pleased everyone Lily was like an old oak tree that stood in the town square and was a part of the neighborhood For many years she was always there for the peasants giving them support in a world that moved too quickly Before she was born her family owned the candy shop and took great care to keep the sweet traditions that had been passed down from generation to generation Each generation had been given these valuable trade secrets and tried and true recipes for making sweets They were like a river of candy knowledge But Lily had a unique attitude that set her apart from her ancestors and from everyone else in town She had been given a special skill that no one else had Lily s parents were good at making sweets but she was the best She was able to give her candies special powers that made everyone who tried them happy and spellbound As Lily got better she learned that each candy could have its own magic added to it which turned ordinary treats into amazing wonders Her candy will make you laugh until you cannot hold back tears her chocolate bars will melt your heart and her gummy bears will make you jump higher than you ever thought possible The village kids were enchanted by her works of art and waited in long lines outside her cute candy shop for her newest most delicious treats Over time her charming personality became known and people from nearby towns and cities came to her business They were amazed by how much happiness her magical candies brought them and they were truly happy Lily had turned her tiny candy shop into a beautiful heaven where every delicious bite took regular things to a whole new level People who came to her house were drawn in by more than just the sweet smell of her candy The person was Lily who was kind and caring and had a natural way of making everyone feel special Every customer had a name a favorite candy and a story about themselves Her warm smile and deep talks had a remarkable way of making even the worst days better
