Life, Paint and Passion Michele Cassou,Stewart Cubley,1996-01-03 Life Paint And Passion is a deeply involving approach to using the creative process as a tool for self discovery With vibrant and contagious enthusiasm the authors liberate the reader s urge to create freely and spontaneously as a painter or an artist in another medium purely for the process of exploration not for result With eloquence and simplicity the authors encourage the reader to journey inward toward his or her authentic self and discover the unique intuition awaiting there It is this intuition that provides all the tools the reader needs to crumble the barrier between the innermost self and its uncensored manifestation Through lively interviews with students the authors explore painting as a practice that facilitates the ecstasy of unfettered expression With simple brushes a few dishes of paint and this book the reader will be able to coax the hidden self out of the heart and onto a paper Life Paint And Passion is the result of nearly thirty years of intensive work with the painting process It provides powerful insights into the act of creation a solid base for facing and transcending creative blocks and brings fresh perceptions and healing to life

Lackner,Nikola Chardonnens,2014-07-28 Like artists important writers defy unequivocal interpretations Gao Xingjian winner of the Nobel Prize in literature is a cosmopolitan writer deeply rooted in the Chinese past while influenced by paragons of Western Modernity The present volume is less interested in a general discussion on the multitude of aspects in Gao s works and even less in controversies concerning their aesthetic value than in obtaining a response to the crucial issues of freedom and fate from a clearly defined angle The very nature of the answer to the question of freedom and fate within Gao Xingjian s works can be called a polyphonic one there are affirmative as well as skeptical voices But polyphony as embodied by Gao is an even more multifaceted phenomenon Most important for our contention is the fact that Gao Xingjian s aesthetic experience embodies prose theater painting and film Taken together they form a Gesamtkunstwerk whose diversity of voices characterizes every single one of them **Rainbow Magic: The Magical Crafts Fairies: 145: Violet the Painting Fairy**
