The Magic Spectacles Chauncey Giles, 1868 The Magic Spectacles Gordon J. Rowe, 1998-05 The Magic Spectacles Lilian Moore, Arnold Lobel, 1985-01 **The Magic Spectacles** James P. Blaylock, 2012-08-12 A YA adventure from World Fantasy Award winning author James P. Blaylock A suddenly appearing curiosity shop owned by a small man who might or might not be the Man in the Moon a pair of strange spectacles buried in a fishbowl full of marbles an old window glazed with sea green glass found beneath a suburban house and two adventurous boys who buy the spectacles and climb through the window into a land of goblins ghosts and rope ladders that reach to the moon Who exactly is Mr Deener the fat man who makes magic out of bits of coloured glass has a passion for glazed doughnuts and whose seeming twin brother sleeps fitfully in an attic room And who are the little men who ride out of the forest on windblown sycamore leaves in order to whisper into Mr Deener's ear Is Mr Deener like a fallen Humpty Dumpty broken apart John and Danny need to know To find their way home they'll have to put Mr Deener back together again and solve the mystery of the sleeping land a task that leads them to the pool of reflections in the deep woods and ultimately to a house built of light and magic and memory that sits at the edge of the heart's ocean PRAISE FOR JAMES P. BLAYLOCK Blaylock is one of the most brilliant of that new generation of fabulist writers Washington Post Book World Blaylock allows us to see the mundane world through new eyes to perceive the familiar as strange and therefore fascinating for what it is as well as for what it might be Charles de Lint Blaylock has a gift for drawing characters who are eccentric in delightful and original ways whichever side of the war they are on Publishers Weekly The Magic Spectacles Chauncey Giles, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1870 edition Excerpt come that she might call upon her friends the notes who lived in the various lines and spaces and give her new method of learning another trial She found she could remember her lesson much better than ever before Her careful attention to the lines and spaces and the names of the notes on them the comparison of one with another and the living interest excited by making them talk to her had so fixed them in her memory that she found no difficulty in recalling them The hour passed pleasantly away and she was surprised when her mother called her to find the time had been so short Now she was to put the reality of her possession of a magical power to another and severer test Clara was a quick nervous and restless girl and all kinds of confinement and patient attention to little things were very irksome to her Sewing was her especial dislike She had not the patience to take stitch after stitch to make them even and keep her work straight Her mother however thought it necessary for her to learn to sew and a part of two days in the week was spent in doing it Now she thought if I can see how to do my sewing well and can learn to like it I shall know for certain that I have some new and magical power She took up her work with more interest than usual though it was more difficult and trying than she had ever attempted before Her mother prepared her work for her told her how to do it and cautioned her to be patient and do it as

nicely as she could Now I shall need my spectacles she said to herself and I must remember how to use them One thing at a time That is certainly good advice in sewing Look sharp That I must do or I shall get the stitches long and short *The Magic Spectacles* Richard Cowper,1986 *The Magic Spectacles. A Fairy Story* Chauncey GILES,1873 *The Magic Spectacles. A Fairy Story* Chauncey Giles,1870 THE MAN WITH THE MAGIC SPECTACLES Manohar Bhatia ,2022-06-10 I was at the library one day browsing through some pictorial journals when my eye caught sight of a copy of National Geographic It contained some very exciting photographs of wild life the planets in the solar system and beautiful exotic plants I wanted to have a copy of these pictures but there was no way I could I had a camera with me but taking photographs was prohibited in the library To add to my woes the photocopy machine was out of order I was wearing my glasses and it was then that an idea struck me What if my reading glasses could copy these photos Would it be possible What if by reading the whole text of any publication a book magazine or even a film it could be recorded just like a voice on tape It would be a truly thrilling experience However such recording glasses would have to be specially manufactured These thoughts led me to writing *The Man with The Magic Spectacles* I thought of a plot story line location and characters and quickly fitted all of these together My co writer Martha Jette has helped me by adding chapters developing characters and editing the entire manuscript **The Magic Spectacles** James P.
