way that the Holocaust assumed center stage as the single event with the greatest effect on American Jewish identity. Recently as American Jewish screenwriters, directors and producers have become increasingly comfortable with their heritage, we are seeing an unprecedented number of movies that spotlight Jewish protagonists' experiences and challenges. This is a wonderful book for any lover of American films. *Hadassah Magazine* **Films and Filming**, 1978 High Concept Justin Wyatt, 2010-07-22. Steven Spielberg once said, "I like ideas, especially movie ideas that you can hold in your hand. If a person can tell me the idea in twenty-five words or less, it's going to make a pretty good movie." Spielberg's comment embodies the essence of the high concept film, which can be condensed into one simple sentence that inspires marketing campaigns, lures audiences, and separates success from failure at the box office. This pioneering study explores the development and dominance of the high concept movie within commercial Hollywood filmmaking since the late 1970s. Justin Wyatt describes how box office success, always important in Hollywood, became paramount in the era in which major film studios passed into the hands of media conglomerates concerned more with the economics of filmmaking than aesthetics. In particular, he shows how high concept films became fully integrated with their marketing so that a single phrase, just when you thought it was safe to go back in the water, could sell the movie to studio executives and provide copy for massive advertising campaigns. A single image or a theme song could instantly remind potential audience members of the movie, and tie-in merchandise could generate millions of dollars in additional income. Hit and Run Nancy Griffin, Kim Masters, 2016-01-12. *Hit and Run* tells the improbable and often hilarious story of how two Hollywood film packagers went on a campaign to reinvent themselves as studio executives at Sony's expense. Veteran reporters Nancy Griffin and Kim Masters chronicle the rise of Jon Peters, a former hairdresser, seventh-grade dropout, and juvenile delinquent, and his soulless soul mate Peter Guber, and all the sex, drugs, and fistfights along the way. It is the story of the ultimate Hollywood con job and the standard by which every subsequent business blunder has been measured. *Hit and Run* delivers rock-solid business reporting liberally laced with inside gossip and outrageous scandal, plus a new afterword bringing us up to date on the latest fallout from the Guber-Peters legacy. *Masters of Light* Dennis Schaefer, Larry Salvato, 2013-01-19. Through conversations held with fifteen of the most accomplished contemporary cinematographers, the authors explore the working world of the person who controls the visual look and style of a film. This reissue includes a new foreword by cinematographer John Bailey and a new preface by the authors, which bring this classic guide to cinematography in print for more than twenty-five years into the twenty-first century. *The Films of the Seventies* Marc Sigoloff, 2000-09-01. This is a comprehensive filmography of American, British, and Canadian feature films released during the decade of the 1970s. Nearly 1,000 films are listed alphabetically, each with cast, including the characters they played, and credits, release date, a five-star rating system, production company, length, the Motion Picture Association of America rating of G, PG, R, or X, various award winners are indicated with symbols, and a brief summary of major plot details and characters, and an evaluation of its virtues or flaws. The

box office rentals of each film achieving 4 million or more are also indicated **Laker Girl** Jeanie Buss, Steve Springer, 2013-09-01 The never before told story of the Buss family and of one woman's rise to the top in a man's world Laker Girl is an unprecedented glimpse into the glamorous world of the Los Angeles Lakers It is also a behind the scenes journal of the 2009 10 Lakers season a year in which the franchise captured its 16th world championship By the time Jeanie was 19 she was already a high ranking executive with World Team Tennis Today she is the Lakers executive vice president of business operations and one of the most influential women in professional sports Along the way she's rubbed elbows with everyone from Michael Jordan John McEnroe and Shaquille O'Neal to Ryan Seacrest Khloe Kardashian Hugh Hefner and Jack Nicholson And she's done it all in her own unique inimitable style In this updated edition Buss discusses her recent engagement to Phil Jackson and looks back on the Lakers eventful past three seasons an era that has included multiple coaching changes changes in the front office a new TV deal and much more
