German Wartime Memory, American Exceptionalism, and Post-Cold War Blockbuster Cinema Robert Pirro, 2025-08-29

This book excavates the diverse and mostly unnoticed political meanings made available to American and German audiences by the blockbuster films helmed by transplanted West German directors Roland Emmerich and Wolfgang Petersen Through formal film analysis broad consideration of American and German film criticism and reflection on relevant political developments of the post Cold War era the book reveals how traces of Germany's experience of dictatorship and wartime destruction find inadvertent cinematic expression in ways that helped American and German moviegoers find orientation in the changed political and cultural landscape of a newly globalized world To complement and deepen the analysis of the Hollywood output of Emmerich and Petersen the book juxtaposes the creative product of these transplanted directors to examples of a converse cinematic phenomenon considered under the label American Babelsberg which encompasses World War Two themed films shot by American directors in Germany utilizing the production facilities at Babelsberg Focus here is placed particularly on two high profile cinematic releases of the aughts *Valkyrie* 2008 and *Inglourious Basterds* 2009 The magnetic attraction to or nettlesome burden of World War Two memories on these directors of American Babelsberg and German Hollywood is explained in this book by the entwined histories of Germans and Americans the different challenges of national self definition and renewal they faced in the post Cold War world and their long standing and ongoing transatlantic discourse of political ideas and cultural ideals This book will be of great interest to students and scholars of film studies politics popular culture and contemporary history

Independence Day M. B. B. Biskupski, 2012-09-13 The 11th of November 1918 Polish Independence Day is a curious anniversary whose commemoration has been only intermittently observed in the last century In fact the day and the several symbols that rightly or wrongly have become associated with it has a rather convoluted history filled with tradition and myth which deserves attention Independence Day is more than just the history of a day or the evolution of its celebration but an explanation of what meaning has come to be associated with that date It offers a re reading of Polish history not by a series of dates but through a series of symbols whose combination allows the Poles to understand who they are by what they have been Its focus is on the era 1914 2008 and the central actor is the charismatic Jozef Pilsudski He came to represent a disposition regarding the meaning of Polish history which eventually penetrated virtually all of modern Polish society The work is constructed by the analysis of memoirs documents coins stamps films maps monuments and many other features making it a multi disciplinary and multi dimensional volume

Lone Star Muslims Ahmed Afzal, 2015 *Lone Star Muslims* offers an engaging and insightful look at contemporary Muslim American life in Texas It illuminates the dynamics of the Pakistani Muslim community in Houston a city with one of the largest Muslim populations in the south and southwestern United States Drawing on interviews and participant observation at radio stations festivals and ethnic businesses the volume

explores everyday Muslim lives at the intersection of race class profession gender sexuality and religious sectarian affiliation to demonstrate the complexity of the South Asian experience Importantly the volume incorporates narratives of gay Muslim American men of Pakistani descent countering the presumed heteronormativity evident in most of the social science scholarship on Muslim Americans and revealing deeply felt affiliations to Islam through ritual and practice It also includes narratives of members of the highly skilled Shia Ismaili Muslim labor force employed in corporate America of Pakistani ethnic entrepreneurs the working class and the working poor employed in Pakistani ethnic businesses of community activists and of radio program hosts Decentering dominant framings that flatten understandings of transnational Islam and Muslim Americans such as terrorist on the one hand and model minority on the other Lone Star Muslims offers a glimpse into a variety of lived experiences It shows how specificities of class Islamic sectarian affiliation citizenship status gender and sexuality shape transnational identities and mediate racism marginalities and abjection

1950s Science Fiction Films and 9/11 Melvin E. Matthews, 2007 1950s Cold War era monsters meet 21st century terrorists this exploration of sci fi movies examines the similarities and differences between the political environment and popular culture of two eras This examination and appreciation of 1950s science fiction films includes behind the scenes tales about their production and many quotes from those who produced and starred in the films The author draws parallels between the Cold War fears of the 1950s and 60s and the constant terrorism alerts of the September 11th era exploring how the politics and the psychological climate of the times influences and is reflected in this vehicle of popular culture This book is the first of its kind studying the pop culture genre in the wake of the September 11th tragedy It shows that whatever the era and whatever the challenges and crises confronting America many entertainment themes remain the same reflecting their respective times and the relevant issues For instance Godzilla the only Fifties era monster to remain a movie star beyond that era could be fashioned to reflect whatever issues dominate the times be they nuclear war in the Fifties when Godzilla originated to a

Seventies Godzilla film about environmental pollution Conceivably a Godzilla for the age of terrorism is possible Then the 1954 atomic mutation classic is the spiritual ancestor of the 2002 film Eight Legged Freaks The alien invaders of the Fifties signified a Russian invasion of America while other films of the genre such as Invaders from Mars depicted aliens utilizing mind control to manipulate humans to commit acts of sabotage signifying Communist enslavement If such a film were made now such invaders could be seen as terrorist masterminds using human slaves to commit terrorist acts Finally several Fifties films depicted the end of the world at a time when Americans expected a nuclear war with Russia The immediate pre September 11th era witnessed films presenting galactic threats to mankind s existence Independence Day Deep Impact Armageddon while the early 2000s witnessed the popularity of the Left Behind Christian films dramatizing the Tribulation period in the Book of Revelation

**The Making of Independence Day** Rachel Aberly, Volker Engel, 1996 Ben-Gurion Against the Knesset Giora Goldberg, 2004-02-19 The power struggle between Ben Gurion and the Knesset was not primarily concerned with who should hold the reins of power but with the ideals that should lie behind government Ben Gurion did not think that the Knesset had the moral backbone required at a historic turning point in Israeli history when the character of the nation was being developed although he conceded that it was capable of dealing with the more mundane administrative tasks He therefore denied the Knesset the right to take part in the policy making process caused a decline in the support of the elite and the general public encouraged partisanship and endeavored to reduce competitiveness Ben Gurion was so dismissive of the Knesset and its members that he would not even attend parties at which Knesset members were being given awards

### **When Jesus actually returns | A dialogue**

**between The Messiah & Google's A.I** Jean Paul Martienz,2023-07-30 In a world on the brink of chaos because of a meltdown a messiah emerges to lead humanity into a new era of peace and prosperity But as the messiah s power grows so too does his doubt Can he really be the one to save humanity or is he just another false prophet When the messiah meets with Bard the world s most powerful AI he is confronted with questions that challenge his beliefs and force him to question his own purpose Questions that have puzzled philosophers for centuries such as the meaning of life the purpose of suffering and the future of humanity They explore these questions in a way that has never been done before They draw on the wisdom of the ages as well as the latest insights from science and technology In the process they uncover truths that will change the course of history They learn that the future of humanity is not predetermined and that they have the power to shape their own destiny The Jesus actually returns is a gripping and thought provoking dialogue that will challenge your beliefs and change the way you see the world It is a story about the power of faith the importance of free will and the potential of AI to shape the future of humanity When the messiah meets with Bard the world s most powerful AI he is confronted with questions that he has never even considered What is the meaning of life What is the purpose of suffering And what is the future of humanity As the messiah and Bard engage in a long and deep conversation they explore the most fundamental questions of existence They discuss the nature of good and evil the role of free will and the possibility of a higher power They also explore the impact of AI on society and the potential for AI to become a threat to humanity In the process the messiah and Bard uncover truths that will change the course of history They learn that the future of humanity is not predetermined and that they have the power to shape their own destiny They also learn that AI is not a threat to humanity but rather a tool that can be used for good or evil The Messiah and the AI is a gripping and thought provoking novel that will challenge your beliefs and change the way you see the world It is a story about the power of faith the importance of free will and the potential of AI to shape the future of humanity

Parades and the Politics of the Street Simon P.

Newman,2010-08-03 Simon P Newman vividly evokes the celebrations of America s first national holidays in the years

between the ratification of the Constitution and the inauguration of Thomas Jefferson He demonstrates how by taking part in

the festive culture of the streets ordinary American men and women were able to play a significant role in forging the political culture of the young nation The creation of many of the patriotic holidays we still celebrate coincided with the emergence of the first two party system With the political songs they sang the liberty poles they raised and the partisan badges they wore Americans of many walks of life helped shape a new national politics destined to replace the regional practices of the colonial era Congressional Record United States. Congress,1997 *The making of Independence day* Rachel Aberly,Volker Engel,1996 The Joshua Generation Rachel Havrelock,2020-06-30 How a controversial biblical tale of conquest and genocide became a founding story of modern Israel No biblical text has been more central to the politics of modern Israel than the book of Joshua Named after a military leader who became the successor to Moses it depicts the march of the ancient Israelites into Canaan describing how they subjugated and massacred the indigenous peoples The Joshua Generation examines the book s centrality to the Israeli occupation today revealing why nationalist longing and social reality are tragically out of sync in the Promised Land Though the book of Joshua was largely ignored and reviled by diaspora Jews the leaders of modern Israel have invoked it to promote national cohesion Critics of occupation meanwhile have denounced it as a book that celebrates genocide Rachel Havrelock looks at the composition of Joshua showing how it reflected the fractious nature of ancient Israelite society and a desire to unify the populace under a strong monarchy She describes how David Ben Gurion Israel s first prime minister convened a study group at his home in the late 1950s where generals politicians and professors reformulated the story of Israel s founding in the language of Joshua Havrelock traces how Ben Gurion used a brutal tale of conquest to unite an immigrant population of Jews of different ethnicities and backgrounds casting modern Israelis and Palestinians as latter day Israelites and Canaanites Providing an alternative reading of Joshua The Joshua Generation finds evidence of a decentralized society composed of tribes clans and woman run households one with relevance to today when diverse peoples share the dwindling resources of a scarred land

## **The Making Of Independence Day Introduction**

In the digital age, access to information has become easier than ever before. The ability to download The Making Of Independence Day has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Making Of Independence Day has opened up a world of possibilities. Downloading The Making Of Independence Day provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Making Of Independence Day has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Making Of Independence Day. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Making Of Independence Day. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Making Of Independence Day, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Making Of Independence Day has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of

free PDF resources available and embark on a journey of continuous learning and intellectual growth.
