**Consumer Culture and the Making of Modern Jewish Identity** Gideon Reuveni, 2017-08-07 This book investigates the intersection between consumption identity and Jewish history in Europe

*Culture and Consumption* Grant David McCracken, 1990-11-22 This book compiles and integrates highly innovative work aimed at bridging the fields of anthropology and consumer behavior Journal of Consumer Affairs fascinating ambitious and interesting Canadian Advertising Foundation Newsletter an anthropological dig into consumerism brimming with original thought The Globe and Mail Grant McCracken has written a provocative book that puts consumerism in its place in Western society at the centre Report on Business Magazine a stimulating addition to knowledge and theory about the interrelationship of culture and consumption Choice McCracken s synthesis of anthropological and consumer studies material will give historians new ideas and methods to integrate into their

thinking Maryland Historian The book offers a fresh and much needed cultural interpretation of consumption Journal of Consumer Policy The volume will help balance the prevailing cognitive and social psychological cast of consumer research and should stimulate more comprehensive investigation into consumer behavior Journal of Marketing Research broad scope enthusiasm and imagination a significant contribution to the literature on consumption history consumer behavior and American material culture Winterhur Portfolio For this is a superb book a definitive exploration of its subject that makes use of the full range of available literature American Journal of Sociology McCracken s book is a fine synthesis of a new current of thought that strives to create an interdisciplinary social science of consumption behaviors a current to which folklorists have much to contribute Journal of American Folklore This provocative book takes a refreshing new view of the culture of consumption McCracken examines the interplay of culture and consumer behavior from the anthropologist s point of view and provides new insights into the way we view ourselves and our society      *The Great War and the Making of the Modern World* Jeremy Black,2011-03-17 This new work demonstrates how the outcome of the First World War has formed the modern world we live in today The First World War was the Great War for its leading participants In revisiting the events of 1914 1918 a century on Jeremy Black considers how we now look at the impact of the conflict across the globe and how it came to be World War I in our consciousness For millions both soldiers and civilians the conflict proved fatal The suffering and loss of the war provides much of its resonance and significance but this book seeks to throw light beyond this not least in asking how it ended in victory and defeat Casting aside the conventional narrative Jeremy Black returns to a vast range of original sources and investigates not only the key events of the war but its consequences in restructuring the old order As its significance has changed with time and not only with the loss of first hand testimony Black considers the struggle not only in its historical context but through its memorialisation today      **The Middle East and the Making of the Modern World** Cyrus Schayegh,2017-08-28 How do historians make sense of the spatial layeredness of the past Cyrus Schayegh argues that the modern world s ultimate socio spatial feature is not the oft studied processes of globalization or state formation or urbanization but rather the fast paced mutually transformative intertwinements of cities regions states and global circuits

**Genghis Khan and the Making of the Modern World** Jack Weatherford,2005-03-22 NEW YORK TIMES BESTSELLER The startling true history of how one extraordinary man from a remote corner of the world created an empire that led the world into the modern age by the author featured in Echoes of the Empire Beyond Genghis Khan The Mongol army led by Genghis Khan subjugated more lands and people in twenty five years than the Romans did in four hundred In nearly every country the Mongols conquered they brought an unprecedented rise in cultural communication expanded trade and a blossoming of civilization Vastly more progressive than his European or Asian counterparts Genghis Khan abolished torture granted universal religious freedom and smashed feudal systems of aristocratic privilege From the story of his rise through the tribal culture to the explosion of civilization that the Mongol Empire unleashed this brilliant work of revisionist history is

nothing less than the epic story of how the modern world was made *The Script of Life in Modern Society* Marlis Buchmann, 1989-04-13 Includes bibliography index **The Cult of the Modern** Gavin Murray-Miller, 2017-05-01 The Cult of the Modern focuses on nineteenth century France and Algeria and examines the role that ideas of modernity and modernization played in both national and colonial programs during the years of the Second Empire and the early Third Republic Gavin Murray Miller rethinks the subject by examining the idiomatic use of modernity in French cultural and political discourse The Cult of the Modern argues that the modern French republic is a product of nineteenth century colonialism rather than a creation of the Enlightenment or the French Revolution This analysis contests the predominant Parisian and metropolitan contexts that have traditionally framed French modernity studies noting the important role that colonial Algeria and the administration of Muslim subjects played in shaping understandings of modern identity and governance among nineteenth century politicians and intellectuals In synthesizing the narratives of continental France and colonial North Africa Murray Miller proposes a new framework for nineteenth century French political and cultural history bringing into sharp relief the diverse ways in which the French nation was imagined and represented throughout the country's turbulent postrevolutionary history as well as the implications for prevailing understandings of France today *Social Revolutions in the Modern World* Theda Skocpol, 1994-09-30 Theda Skocpol author of the award winning 1979 book *States and Social Revolutions* updates her arguments about social revolutions *A History of English Literature: Modern times (1660-1911)* by Louis Cazamian, translated from the French by W. D. MacInnes ... and the author Emile Legouis, 1927

*Remaking the Modern World 1900 - 2015* C. A. Bayly, 2018-10-22 The sequel and companion volume to C A Bayly's ground breaking *The Birth of the Modern World 1780-1914* this wide ranging and sophisticated study explores global history since the First World War offering a coherent comparative overview of developments in politics economics and society at large Written by one of the leading historians of his generation an early intellectual leader in the study of World History Weaves a clear narrative history that explores the themes of politics economics social cultural and intellectual life throughout the long twentieth century Identifies the themes of state capital and communication as key drivers of change on a global scale in the last century and explores the impact of those ideas Interrogates whether warfare was really the pre eminent driving force of twentieth century history and what other ideas shaped the course of history in this period Explores the causes behind the resurgence of local conflict rather than global scale conflict in the years since the turn of the millennium Delves into the narrative of inequality a story that has shaped and been shaped by the events of the last hundred years Part of The Blackwell History of the World Series The goal of this ambitious series is to provide an accessible source of knowledge about the entire human past for every curious person in every part of the world It will comprise some two dozen volumes of which some provide synoptic views of the history of particular regions while others consider the world as a whole during a particular period of time The volumes are narrative in form giving balanced attention to social and cultural history in the

broadest sense as well as to institutional development and political change Each provides a systematic account of a very large subject but they are also both imaginative and interpretative The Series is intended to be accessible to the widest possible readership and the accessibility of its volumes is matched by the style of presentation and production The Scandinavian Early Modern World Jonas Monié Nordin,2020-05-14 The Scandinavian Early Modern World explores the early modern colonialism globalization and modernity in Scandinavia along with its colonies and its role in the shaping of the modern world Scandinavians played an active role in early modern globalization and were present as traders as colonialists and as consumers in competition and collaboration with indigenous agents and other colonial actors in America Africa and India This story is rarely told The joint study of history historical landscape and material culture from a Scandinavian vantage point provides for a comprehensive and original interpretation of the birth of globalization and modernity New perspectives and data are presented deepening and challenging our knowledge of the long seventeenth century In depth analysis of case studies encompassing four continents and their material entanglement makes this book a unique contribution to historical archaeology The Scandinavian Early Modern World aims at students and scholars of anthropology archaeology and history alike taking interest in the global connections of the long seventeenth century and the role of Scandinavia in that process

Classical Social Theory and Modern Society Edward Royce,2015-01-22 Karl Marx mile Durkheim and Max Weber are indispensable for understanding the sociological enterprise They are among the chief founders of the discipline and among the foremost theorists of modernity and their work can stimulate readers to reflect on their own identities and worldviews Classical Social Theory and Modern Society introduces students to these three thinkers and shows their continued relevance today The first chapter sets the stage by situating the work of Marx Durkheim and Weber in the context of three modernizing revolutions the Enlightenment the French Revolution of 1789 and the Industrial Revolution Three overview chapters follow that summarize the key ideas of each thinker focusing on their contributions to the development of sociology and their conceptions of modern society The last portion of the book explores the thinking of Marx Durkheim and Weber on four themes the pathologies of modern society the predicament of the modern individual the state and democracy and socialism versus capitalism These thematic chapters place Marx Durkheim and Weber in dialogue with one another offering students the opportunity to wrestle with conflicting ideas on issues that are still significant today Classical sociology is essential to the teaching of sociology and also an invaluable tool in the education of citizens **The Modern World-System I** Immanuel Wallerstein,Immanuel Maurice Wallerstein,2011-05-11 The Modern World System Immanuel Wallerstein s influential multivolume reinterpretation of global history traces the emergence and development of the modern world from the sixteenth century to the twentieth From publisher s description *PATRIMONIAL POWER in the MODERN WORLD* Julia Adams,Mounira M. Charrad,2011-07 During the 2011 uprisings in the Arab world protesters demanded the ouster of authoritarian forms of rule and an end to the influence of ruling families on politics society and the economy These upheavals

revealed that patrimonial power in its diverse forms is still a dynamic force in global politics able to shape world events This volume brings the study of patrimonialism back to center stage and presents the concept as a useful tool to analyze how nations global developments and international relations are influenced and transformed Leading scholars show that patrimonial practices present throughout history are important features of global capitalist modernity The authors analyze patrimonial politics in regions throughout the world including in the United States Tunisia Chile France Iraq Lebanon Morocco Poland and Russia This volume will appeal to students of politics and policy and to a multidisciplinary scholarly audience in political sociology historical social science history and social theory
