State, Civil Society and Apartheid in South Africa T. Kuperus, 1999-04-07 An examination of the role played by civil society in the legitimisation of South Africa s apartheid regime and its racial policy This book focuses on the interaction of dominant groups within the Dutch Reformed Church and the South African state over the development of race policy within the broader context of state civil society relations This allows a theoretical examination and typology of the variety of state civil society relations

Additionally the particular case study demonstrates that civil society's existence in and authoritarian situations can deter the establishment of democracy when components of civil society identify themselves with exclusive ethnic interests **Africa** Air University (U.S.). Library,1994 Contested Landscapes Barbara Bender,Margot Winer,2020-05-27 Landscapes are not just backdrops to human action people make them and are made by them How people understand and engage with their material world depends upon particularities of time and place These understandings are dynamic variable contradictory and open ended Landscapes are thus always evolving and are often volatile and contested They are also always on the move people may or may not be rooted but they have legs From prehistoric times onwards people have travelled but the process of people on the move as tourists or on global business as migrant workers or political or economic refugees has vastly accelerated How and why do people who share the same landscape have different and often violently opposed ways of understanding its significance How do people on the move make sense of the unfamiliar How do they create a sense of place How do they rework the memories of places left behind There is nothing easeful about the landscapes discussed in this book which are often harsh edged and troubled both socially and politically The contributors tackle contested notions of landscape to explain the key role it plays in creating identity and shaping human behaviour This landmark study offers an important contribution towards an understanding of the complexity of landscape **The International Journal of African Historical Studies** ,1972 **Program of the Annual Meeting - American Historical Association** American Historical Association,American Historical Association. Annual Meeting,1994 Some programs include also the programs of societies meeting concurrently with the association **Anti-Apartheid and the Emergence of a Global Civil Society** H. Thörn,2006-02-28 Looking at anti apartheid as part of the history of present global politics this book provides the first comparative analysis of different sections of the transnational anti apartheid movement The author emphasizes the importance of a historical perspective on political cultures social movements and global civil society Canadian Journal of African Studies ,2004 **Economic Development of Africa, 1880-1939 vol 5** David Sunderland,2017-09-29 One of the main motives for British imperialism in Africa was economic gain This collection examines the ways in which Britain developed Africa and in so doing benefited her own economy **International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences** ,1996 **Poverty, War, and Violence in South Africa** Clifton Crais,2011-09-19 Poverty and violence are issues of global importance In Poverty War and Violence in South Africa Clifton Crais explores the relationship between colonial conquest and the making of South Africa's rural poor Based on a wealth of archival sources this detailed history changes our understanding of the origins of the gut wrenching poverty that characterizes rural areas today Crais shifts attention away from general models of economic change and focuses on the enduring implications of violence in shaping South Africa's past and present Crais details the devastation wrought by European forces and their African auxiliaries Their violence led to wanton bloodshed large scale

destruction of property and famine Crais explores how the survivors struggled to remake their lives including the adoption of new crops and the world of inequality and vulnerability colonial violence bequeathed He concludes with a discussion of contemporary challenges and the threats to democracy in South Africa **From Colonization to Democracy** Alan

Lester,1998-12-31 This account of the development of modern South African society seeks to establish the geographical and historical context in which change has taken place The author describes important historical continuities in South Africa which have shaped present society including social groupings and their stratification political institutions the patterns of human geography economic structure and external links and influences **Democracy and Apartheid** A.

Butler,1998-09-27 South Africa s 1994 election was widely hailed around the world as miraculous In this book Anthony Butler examines South African experiences to cast doubt on this celebratory attitude to democracy Contemporary political analysis highlights the benefits that democracy can sometimes bring Butler by contrast argues that democracy can be malign He attacks the myth that democracy ended apartheid and shows that democratic practices themselves contributed to its evils The author also explores weaknesses in political science as a discipline This book will be essential reading for specialists in South Africa and will appeal to political theorists students of comparative politics and historians **Joint Acquisitions List**

of Africana ,1995 **J. M. Coetzee** Dominic Head,1997 The importance of J M Coetzee in the development of twentieth century fiction is widely recognised His work addresses some of the key issues of the late twentieth and early twenty first centuries the relationship between postmodernism and postcolonialism the role of history in the novel and the question of how the author can combine an ethical and political consciousness with a commitment to the novel as a work of fiction In this study written in 1998 Dominic Head assesses Coetzee s position as a white South African writer engaged with the legacy of colonialism Through close readings of all the novels Head shows how Coetzee inhabits a transitional site between Europe and Africa and it is from this position that his more general concerns emerge Coetzee s engagement with the problems facing the postcolonial writer Head argues is always enriched by his awareness of a wider literary tradition **South Africa** Nancy L.

Clark,William H. Worger,2022-04-06 This new edition of South Africa examines the history of South Africa from 1948 to the present covering the economic background to racial segregation the introduction of the oppressive policy of apartheid the eventual collapse of White supremacy and the legacy of apartheid to the present day Fully revised the fourth edition incorporates new original research particularly from the records of the Truth and Reconciliation Commission and includes additional popular culture images such as posters linked to the international anti apartheid struggle These help to further emphasise the mounting popular opposition to state repression in the 1970s and 1980s By developing an analysis of recent economic and political issues that are rooted in the apartheid regime particularly the continuing divide between rich and poor along racial lines and the impact of public corruption known as state capture South Africa provides a current clear and succinct introduction to the ideology and practice of apartheid Illustrated with photographs maps and figures and including a
