The Making Of The Masters Clifford Roberts Augusta National And Golfs Most Prestigious Tournament:

The Making of the Masters David Owen, 1999-04-05 The first full history of the making of sport s rite of spring the Masters Tournament by the acclaimed author of *My Usual Game* based on unprecedented access to the archives of the Augusta National Golf Club of color photos

The Making of the Masters David Owen, 1999-04-05 *Making the Masters* David Barrett, 2012-03-21 Contested the second weekend in April each year since 1934 the Masters is the world s most prestigious golf tournament and most watched tournament on television Tickets are in such demand that even the waiting list is closed and players value the title above all others In *Making the Masters* award winning golf writer David Barrett focuses his attention on how the Masters was conceived how it got off the ground in 1934 and how it fully established itself in 1935 The key figure in the tournament s creation and success was Bobby Jones who was a living legend after winning the Grand Slam in 1930 and immediately retiring at the age of twenty eight He went on to found Augusta National and sought a high profile tournament for his new course But nearly as important was Clifford Roberts a banker friend of Jones who not only embraced Jones s vision but became his right hand man in working to bring that vision to reality Barrett explores how Jones and Roberts built the Masters from scratch creating a golf institution embellished by the often surprising details of what that entailed as they were trying to establish a golf club and golf tournament in tough economic times It also vividly chronicles the events of the 1934 and 1935 Masters with Gene Sarazen s spectacular victory in 1935 providing the climax Set against the backdrop of golf and America in the 1930s the book provides an informative and entertaining read for fans of the Masters and students of golf history

Trials and Triumphs of Golf's Greatest Champions Lyle Slovic, 2016-05-19 Golf can be a vexing and cruel game and teaches us much about ourselves It has been described as a contest calling for courage skill strategy and self control It is a test of temper a trial of honor a revealer of character In the end as with most of life success hinges on the character and spirit we possess But how would our tempers be tested if we suffered a career threatening injury from a near fatal car accident as Ben Hogan did in the prime of his life How would our honor be preserved if we faced constant derision and racism both on and off the golf course as Charlie Sifford encountered his entire career How would our character be revealed if cancer robbed us of the ability to play the game we loved as it did to Babe Didrikson Zaharias Would we give in to self pity or persevere and keep going In *Trials and Triumphs of Golf's Greatest Champions* A Legacy of Hope Lyle Slovic has pulled together the inspirational stories of six golfers and a caddy whose strength of character sustained them against the physical and emotional trials that threatened both their careers and lives In an era when many athletes have lost their luster as role models the people in this book Harry Vardon Bobby Jones Ben Hogan Babe Didrikson Zaharias Charlie Sifford Ken Venturi and Bruce Edwards offer lessons in perseverance dignity humility and faith Slovic tells each of their stories with rich detail including the childhoods that shaped their characters their rise in the world of professional golf the crises they faced in their lives their struggles to keep doing what they loved and their refusal to

give up They had their flaws to be sure But when faced with a true test of will all showed a strength that inspired those around them The first book to gather the stories of these golfers into a single volume Trials and Triumphs of Golf s Greatest Champions offers a unique blend of characters who shared the same love for a game that gave them the courage and fortitude they needed to face whatever life threw their way This book will not only interest golfers and fans of the game it will also inspire those who have suffered their own personal setbacks and show them they are not alone in their trials

The Immortal Bobby Ron Rapoport,2010-12-13 Acclaim for The Immortal Bobby Just when you think there is nothing new to be said or written on the subject of Bob Jones Ron Rapoport comes along and proves that theory completely untrue The Immortal Bobby is wonderfully reported and superbly written John Feinstein author of A Good Walk Spoiled and Caddy for Life The story of Bobby Jones s singular life is one of the most fascinating in sports history Ron Rapoport s thoughtful graceful style is well suited to telling that story Bob Costas broadcaster NBC Sports and HBO Sports

Beyond the grainy newsreels and the confetti falling on Broadway and Peachtree Street there was an essential Bobby Jones and Ron Rapoport reveals him splendidly in a portrait as graceful as the man There s more here than Grand Slam 1930 the jangling nerves and self doubt the towering modesty in response to fame the complexity of an Atlanta patrician a life richly lived Gary M Pomerantz author of *Where Peachtree Meets Sweet Auburn* The skills of writing and reporting that fans of Ron Rapoport like me have come to expect from him over the years candor thoughtfulness insight perspective humor are once again demonstrated and illuminated in *The Immortal Bobby* It is an important book about an important sports figure that typically for Rapoport goes beyond the confines of sports and fits firmly in the context of our culture Ira Berkow sports columnist and author of *Red A Biography of Red Smith* Here is Bobby Jones as you ve never seen him almost fearful in the fires of competition and Ron Rapoport shows us how that man became a legend Dave Kindred coauthor with Tom Callahan of *Around the World in 18 Holes* *First Sunday in April: the Masters* ,2008 This collection celebrates the famed Masters golf tournament as some of America s best known sports writers such as Grantland Rice and Jim Murray praise the event s illustrious history and traditions *One Week in April: the Masters* ,2009-03 Golf *Vanity Fair* ,1999 **Sir Walter and Mr. Jones** Stephen R.
