Richard S. Peale

The Malthusian Conspiracy:

The Malthusian Conspiracy Dave Monroe, 2002-01-30 August 980 A D A group of Viking colonists make it to the New World to start a new life They bring with them a vast treasure to establish the new colony Luck is not on their side and these explorers vanish without a trace May 2001 Sheriff s Deputy Mitch Stone just wants a peaceful weekend sail with his friends on his new boat The weekend turns into a fight for their lives as they uncover a diabolical plot to kill every human on the planet Using newly developed nanotechnology the conspirators intend on destroying the world s population and every sign of human existence and our hero must fight danger at every turn to prevent the unthinkable In the process he discovers the log book of the Viking leader s ship and discovers the mystery of a Viking presence in America centuries before Columbus □
QUESTION THE 666 SYSTEM | FACTS AND CONSPIRACY THEORIES? Adriano Leonel , 2025-06-18 *QUESTION THE 666 SYSTEM FACTS AND CONSPIRACY THEORIES* The book the system doesn t want you to read And that s exactly why you need to read it Do you feel like there s something wrong in the world As if everything is being carefully manipulated from the information that reaches you to what you think say and even feel You re not paranoid You re waking up This book is for those who refuse to live like digital cattle For those who are not satisfied with recycled headlines and sponsored experts For those who dare to ask what no one else has the courage to say out loud Question is a deep courageous and explosive dive behind the scenes of the real world the one that the news programs don t show and the algorithms try to hide Discover How freedom is being dismantled under the guise of security Why true faith has become a threat to the system How Artificial Intelligence is shaping the future and thoughts Who really controls money information and what is called truth And why if you dare to question it you will be canceled censored or silenced This is not fiction It is not paranoia It is the reality that no one has had the courage to tell you Until now This book is not for everyone It is for those who feel they were born for something greater than obeying without thinking It is for those who prefer to live dangerously and freely than safe and enslaved Stop everything Take a deep breath And start turning the pages of the most uncomfortable and liberating book you will ever read Warning After reading this book there is no way to sleep peacefully again
