The Man From The Alamo:

The Man from the Alamo John Humphries,2005-11-30 John Rees soldier and freedom fighter was a shadowy figure who surfaced during two crucial nineteenth century revolts and then disappeared from history For the first time author John Humphries reveals the fate of the man first mentioned as a member of the New Orleans Greys who fought for Texan Independence at the Alamo and narrowly escaped execution at the Goliad Mission Later Rees was one of the main agitators in the doomed Welsh Chartist movement Twenty two men died during the Chartist attack upon the Westgate Hotel when a detachment from the 45th Regiment of Foot hidden behind the hotel s shuttered windows discharged their muskets into the crowd For waging war against the monarch thirteen of the Chartist leaders were indicted for high treason in the last great show trial in British legal history while Rees escaped back to the American West Rees spectacular journey from the bloodied sands of Texas to the last armed uprising on British soil is only one of the stories told in this book [The Films of Budd](#)

[Boetticher](#) Robert Nott,2018-10-02 Budd Boetticher 1916 2001 was a bullfighter a pleasant madman and a talented journeyman filmmaker who could with the right material and drive create a minor Western film classic as easily as he could kill a bull Yet pain and passion naturally mixed in both endeavors Drawing on studio archives and featuring insightful interviews with Boetticher and those who worked with him this retrospective looks at each of his 33 films in detail covering his cinematic career from his days as an assistant s assistant on the set of Hal Roach comedies to his last documentary some 45 years later "A" *Western Filmmakers* Henryk Hoffmann,2024-10-16 From High Noon to Unforgiven the A Western represents the pinnacle of Western filmmaking More intellectual ambitious and time consuming than the readily produced B or serial Westerns these films rely on hundreds of talented artists This comprehensive reference work provides biographies and Western filmographies for nearly 1 000 men and women who have contributed to at least three A Westerns These contributors are arranged by their role in film production Cinematographers composers actors actresses and directors receive complete biographical treatment writers whose work was used in at least two Westerns are also featured An appendix lists well known actors who have appeared in either one or two A Westerns as specified

Universal-International Westerns, 1947-1963 Gene Blottner,2007-04-05 From 1947 through 1963 the merged studios of Universal and International produced mostly highly entertaining westerns that ranged from classics like Winchester 73 to forgettable films better left unmade Entries on the 114 Universal International westerns of the period are collected here While other films may have contained western elements only films that truly fit the genre are included Films are arranged alphabetically by title and each entry includes release date alternate title cast credits songs location of filming source if the film was an adaptation running time plot synopsis commentary from the author and from the actors and directors and representative excerpts from contemporary reviews Also included are tag lines used in the original advertising for each film An introduction to the book provides details on the Universal International merger and a history of the studios

productions **Screen World Presents the Encyclopedia of Hollywood Film Actors: From the silent era to 1965**

Barry Monush, 2003 Applause Books For decades Screen World has been the film professional's as well as the film buff's favorite and indispensable annual screen resource full of all the necessary statistics and facts. Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover's library. In the first of two volumes this book chronicles the careers of every significant film actor from the earliest silent screen stars Chaplin, Pickford, Fairbanks to the mid 1960s when the old studio and star systems came crashing down. Each listing includes a brief biography, photos from the famed Screen World archives with many rare shots, vital statistics, a comprehensive filmography, and an informed, entertaining assessment of each actor's contributions, good or bad. In addition to every major player, Monush includes the legions of unjustly neglected troupers of yesteryear. The result is a rarity: an invaluable reference tool that's as much fun to read as a scandal sheet. It pulsates with all the scandal, glamour, oddity, and glory that was the lifeblood of its subjects. Contains over 1 000 photos.

The Encyclopedia of Best Films Jay Robert Nash, 2019-10-23 This all-inclusive A-Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5 000 three to five star entries: three stars good, four stars excellent, five stars masterpiece, and yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production, from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations: for viewing, recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre, i.e. animated, drama, sports, mystery, adventure, etc., as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.

American Frontiersmen on Film and Television Ed Andreychuk, 2011-05-23 From the French and Indian War to the Civil War, well over a hundred years of American history is reflected through the lives of six bold and famous men: Daniel Boone, Davy Crockett, Jim Bowie, Sam Houston, Jim Bridger, and Kit Carson. Here is a book that details their lives, their legends, and the many films and television shows that inspired them. A biography of each frontiersman is followed by a detailed examination of films and television shows featuring that man as a character. Discussion of films includes cast and credit listings, synopses, and notes on the production, including comments on accuracy and interpretation. Television coverage includes listings of episode titles and discussion of each series' history. The book is illustrated with both film stills and artwork of the frontiersmen. An appendix of documentaries and a bibliography are included.

The Columbia Companion to American History on Film Peter C. Rollins, 2004-03-24 American history has always been an irresistible source of inspiration for filmmakers, and today for good

or ill most Americans sense of the past likely comes more from Hollywood than from the works of historians In important films such as The Birth of a Nation 1915 Roots 1977 Apocalypse Now 1979 and Saving Private Ryan 1998 how much is entertainment and how much is rooted in historical fact In The Columbia Companion to American History on Film more than seventy scholars consider the gap between history and Hollywood They examine how filmmakers have presented and interpreted the most important events topics eras and figures in the American past often comparing the film versions of events with the interpretations of the best historians who have explored the topic Divided into eight broad categories Eras Wars and Other Major Events Notable People Groups Institutions and Movements Places Themes and Topics and Myths and Heroes the volume features extensive cross references a filmography of discussed and relevant films notes and a bibliography of selected historical works on each subject The Columbia Companion to American History on Film is also an important resource for teachers with extensive information for research or for course development appropriate for both high school and college students Though each essay reflects the unique body of film and print works covering the subject at hand every essay addresses several fundamental questions What are the key films on this topic What sources did the filmmaker use and how did the film deviate or remain true to its sources How have film interpretations of a particular historical topic changed and what sorts of factors technological social political historiographical have affected their evolution Have filmmakers altered the historical record with a view to enhancing drama or to enhance the truth of their putative message

Deep in the Heart James McEnteer, 2004-07-30 Cowboy politics is in When George W Bush announced a new American policy of pre emptive attack against potential enemies in 2002 he ushered in the triumph of Texas values over the American agenda This book traces in lucid and engaging style the fascinating influence of the Texas warrior culture from the Alamo to the present day This is not a history of Texas but much Texas history is entwined with American national politics This book locates such diverse phenomena as Cold War politics the Kennedy assassination U S Mexican immigration policies Texas death penalty practices and recent U S Middle East policy in the context of this Alamo attitude While the Texas influence has always been strong and has ebbed and flowed never has it been stronger especially as a guiding force in American foreign policy Today people around the world perceive this Manifest Destiny swaggering style in our foreign policy Because of its sheer size its border wars with Mexico its ten year history as an independent republic and its having been settled by a warrior culture originating in the English Scottish borderlands and arriving in Texas via the southern Appalachians Texas is unique in American politics The author does not assert that Texas causes or is the sole cause of our various policies or of so many violent events Rather he demonstrates convincingly that the Texas warrior culture provides a fascinating context for national politics in a way that no other state s political culture can claim

Western Movies Michael R. Pitts, 2013-01-04 This revised and greatly expanded edition of a well established reference book presents 5105 feature length four reels or more Western films from the early silent era to the present More than 900 new entries are in this edition Each entry has film

title release company and year running time color indication cast listing plot synopsis and a brief critical review and other details Not only are Hollywood productions included but the volume also looks at Westerns made abroad as well as frontier epics north woods adventures and nature related productions Many of the films combine genres such as horror and science fiction Westerns The volume includes a list of cowboys and their horses and a screen names cross reference There are more than 100 photographs *Classic Movie Fight Scenes* Gene Freese, 2017-10-19 Both brawls and elaborate martial arts have kept movie audiences on the edges of their seats since cinema began But the filming of fight scenes has changed significantly through the years mainly for the safety of the combatants from improvised scuffles in the Silent Era to exquisitely choreographed and edited sequences involving actors stuntmen and technical experts Camera angles prevented many a broken nose Examining more than 300 films from *The Spoilers* 1914 to *Road House* 1989 the author provides behind the scenes details on memorable melees starring such iconic tough guys as John Wayne Randolph Scott Robert Mitchum Lee Marvin Charles Bronson Clint Eastwood Bruce Lee Chuck Norris and Jackie Chan **The Takeover** Niven Busch, 2014-03-07 Fifty two year old president Jed Basco has been fired from Basco and Western by a quorum of board members who want the old coot out Not one to take a bombshell like that lying down Jed plans a takeover of his own The Actor Niven Busch, 1970 A has been stunt man and actor unflinchingly seeks a way back into a profession for which he was once flawlessly suited In the wings are his devoted wife and his estranged son whose stories intertwine and overlap in this moving saga about the fight for success and coming to terms with oneself in the gold drenched realm called Hollywood *The Gentleman from California* Niven Busch, In politics the rise to the top can also correspond to the erosion of one's moral core Ask Aline Cleary Belshaw her father was an honest and popular senator and she grew up immersed in the excitement of political life believing in the unshakable fiber of the political process So when she marries a grass roots lawyer with political ambitions she is happy to support him in every way Until of course she discovers that his integrity is disappearing along with every toehold Clay Belshaw thinks he is doing what he needs to do in order to make his way in the the hair pulling and groin kicking of everyday politics Although his wife is shaken by the devious compromises he is willing to make Clay's career continues to flourish and he unexpectedly creates the candidate everyone is looking for It was easy almost inevitable to center your dreams and hopes on such a man to believe no matter what some said to the contrary that he would make life better and simpler for you that he could and would restore to the nation some old time good that due to the corruption of others had gone out of it Sound familiar Even if political conniving and scheming is old hat by now published in 1965 *The Gentleman from California* will interest readers seeking a fictionalized account of U S politics pre and post WW II and the impact of ambition on the lives of those who rise to power **The Carrington Incident** Niven Busch, Mr Big the leader of a powerful and dangerous new movement in Germany is a seductive orator with a godlike remoteness intent on luring Bertha Carrington to his lair using a handsome young captain as bait Bertha tall blond Junoesque is a teacher from America who is visiting Germany as the
