The Three Leaps of Wang Lun Alfred Doblin,2015-01-13 In 1915 fourteen years before Berlin Alexanderplatz Alfred D blin published his first novel an extensively researched Chinese historical extravaganza The Three Leaps of Wang Lun Even more remarkably given its subject matter the book was written in Expressionist style and is now considered the first modern German novel as well as the first Western novel to depict a China untouched by the West It is virtually unknown in English Based on actual accounts of a doomed rebellion during the reign of Emperor Qianlong in the late 18th century the novel tells the story of Wang Lun a historical martial arts master and charismatic leader of the White Lotus sect who leads a futile revolt of the Truly Powerless Densely packed cities and Tibetan wastes political intrigue and religious yearning imperial court life and the fate of wandering outcasts are depicted in a language of enormous vigor and matchless imagination unfolding the theme of timidity against force and a mystical sense of the world against the realities of power

the Dark shall do what Light cannot Sanem Ozdural,2015-04-10 We live in a world of Light and Dark Day and Night Good and Evil How do we deal with evil Despite its power and resources the state with all its laws and police is neither omnipotent nor omnipresent It is not always enough There is a place called Pera which lies beyond the Light Veil on the other side of reality There are light trees there that eat sunlight and bear fruit that in turn lights up and energises literally the community of Pera There are light birds that glitter in the night because they have eaten the seed of the lightberry The House of Light and Dark which is the domain of the Sun and her brother Twilight welcomes all creatures living in Pera But in the midst of all the glitter laughter and the songs it must be remembered that the lightberry is poisonous to the non Pera born and the Land is afraid when the Sun retreats for it is then that Twilight walks the streets In Pera as in our world there is deceit and cruelty There are people who would harm defenceless children and those who would jeopardise the health and wealth of their communities for personal gain What happens though when the Sun is not able to shine her light into the repulsive crevices of humanity When with all the goodwill in the world we cannot keep the children safe or the forests intact What happens when the rivers are polluted irreversibly and we can hear the land groan barren and toxic And the people have lost their savings their homes and their communities Then the Dark shall do what Light cannot With some of the characters that we originally met in LiGa Sanem Ozdural s first novel the Dark shall do what Light cannot transports us from New York to the colourful and wonderful world of Pera On the way we meet the pirate Patron and her ship the Flying Fish the only one that can sail through the Light Veil Orion Imm the Hunter respected by some and feared by others and Shadow the formidable soul of Pera
