Rough Road to the North Jim Christy, 2019-09-24 What is it about the desolate far North American wilderness that calls the intrepid traveler to uncover its sanctifying and deadly secrets From Jack London Call of the Wild to Christopher McCandless chronicled in Jon Krakauer s Into the Wild souls have found solace in the silent frozen northern kingdom at the top of the world the Ultima Thule The forested flatlands give way to the frozen Rocky Mountains over millions of acres nominally in the dominion of both the United States and Canada and accessible by its 1532 mile shared umbilical cord The Alcan Highway Legendary vagabond Jim Christy a Canadian now but born an American travels this road throughout his life First as a young man in the early 1960s hungry for rugged adventure then revisiting the journey every few years both observing and reflecting on the growth of Northwest in the Rough Road to the North Christy vividly describes the history of the indigenous people and the hearty and often foolhardy pioneers who built the Alcan highway and opened the northern road Christy s lyrical text weaves fulsome magic about the siren call of the last unconquered land of North America The forested flatlands give way to the frozen Rocky Mountains over millions of acres nominally in the dominion of both the United States and Canada and accessible by its 1532 mile shared umbilical cord The Alcan Highway Legendary vagabond Jim

Christy a Canadian now but born an American travels this road throughout his life First as a young man in the early 1960s hungry for rugged adventure then revisiting the journey every few years both observing and reflecting on the growth of Northwest in the Rough Road to the North Journal of the Royal United Service Institution Royal United Service Institution,1875 **People and Things from the Blount County, Alabama Southern Democrat 1939 - 1942** Robin Sterling,2016-08-02 The Southern Democrat was established by Forney G Stephens at Blountsville in 1894 After fellow newspaperman Lawrence H Mathews of the Blount County News Dispatch died in 1896 Stephens moved the Democrat to Oneonta When the News Dispatch folded in 1903 the Democrat was the preeminent Blount County newspaper Stephens died in 1939 but the Democrat continued to publish in Oneonta for almost 100 years In 1989 the old Southern Democrat was renamed the Blount Countian Microfilm for the old Southern Democrat was acquired from the State Archives in Montgomery and studied page by page Every mention of births marriages deaths obituaries and news important to the history and development of Blount County was reproduced here This book is vital for any serious student of Blount County Alabama genealogy and history *The Great Platte River Road* Merrill J. Mattes,1987-01-01 The Great Platte River Road through Nebraska and Wyoming was the grand corridor of America s westward expansion A number of famous trails converged in the broad valley of the Platte forming a kind of primitive superhighway for the great covered wagon migration from 1841 to 1866 From jumping off places along the Missouri River notably the Omaha Council Bluffs St Joseph and Kansas City areas the emigrant throngs came together at Fort Kearny Nebraska Although they continued on to South Pass Wyoming and beyond this book focuses on the feeder routes and the more than three hundred miles between Fort Kearny and Fort Laramie The Great Platte River Road looks at border towns trail routes river crossings stage stations military posts and such landmarks as Chimney Rock and Scott s Bluff It goes far beyond geography and Indian encounters in revealing cultural aspects of the great migration food dress equipment organization camping traffic patterns sex ratios morals manners religion crime accidents disease death and burial customs The Journey Rev. Nelson Brenner,2022-10-14 PrefaceThe Journey is a Christian perspective on life s journey from earth to glory In The Journey Reverend Brenner describes the Christian life in three aspects past present and future or beginning continuing and finishing the journey of faith He shows that the Christian life is analogous to the history of Israel in the Old Testament Broadly speaking Israel s history could be summed up in three stages deliverance from Egypt the wilderness sojourn and possessing Canaan the promised land The author shows how the Christian s life similarly may be viewed in three stages redemption from sin s bondage living for Christ in a sinful world and reaching our goal which is heaven the hope of all believers His main emphasis is on the second stage appropriately entitled the pilgrimage which is obviously the present time of our journey of living our Christian life now in this present evil world Reflecting again on Israel s history he shows how happy they were to escape Egypt but how discouraged and defeated they became during their wilderness journey because of hardships and trials and failed to reach their goal So the author reminds

readers who are on this journey of faith that it's not how you start but how you finish and finish depending on what you do and how you do after your start and going forward So run that ye may obtain as 1 Corinthians 9:27 says So many other words of admonition are given to remind the Christian that he must remain dedicated and determined throughout his journey to reach the goal Again listen to the apostle Paul in Philippians 3:12-14 I follow after this one thing I do reaching forth I press toward the mark for the prize He is focused Making the journey is a collaborative effort between the believers and God our faith and his faithfulness The author's aim for this book is to encourage you as you continue on in your journey toward heaven
