**The Marriage Mender** Tom Whiteman, Thomas Bartlett, 1996 If your marriage could use a tune up this book offers practical help for making it better than it ever was You ll learn how to fight fairly and much more The Marriage Menders Patricia Wendorf, 2000-06 Shaken by revelations about her mother s past Imogen decides to make a new start a new house a new job and perhaps a new lease on life for a marriage that is sinking under the weight of unspoken resentment But rather than mending her marriage Imogen puts it at risk in a reckless affair with a colleague While her husband throws himself enthusiastically into restoring their derelict farmhouse she is obsessed with a man whose behavior becomes increasingly irrational By the time she realizes the danger she is in Imogen is too far down the slippery slope to stop **Probation and the Policing of the Private Sphere in Britain, 1907-1962** Louise Settle, 2021-12-16 In 1907 the Probation of Offenders Act introduced a system which allowed offenders to be rehabilitated at home under supervision rather than being sent to prison This book explores how the probation system was used to regulate the private lives emotions and behaviours of people in Britain between 1907 and 1962 Access to the private sphere both physically and psychologically meant that the probation system was particularly well suited to offences related to intimate and personal relations With each chapter focusing on a particular type of offence including wife assault attempted suicide male sexual offences and female prostitution Settle shows how experiences of the probationers were shaped by the everyday practices of probation and assesses the extent to which probation was successful in rehabilitating offenders and protecting the public Also examining the role of probation officers in marriage reconciliation the book explores how ideas about gender and domesticity were crucial to both the process of rehabilitation and the endeavour to make the home a safe environment in which these domestic ideals could come into fruition Probation and Policing of the Private Sphere in Britain enriches our understanding of the role of the state in policing monitoring and promoting the well being of its citizens and explores the nuances of probation s dual purpose as a form of social control as well as a social work service designed to help the most vulnerable in society Home Improvement Series Volume Two Femi Awodele, 2012-05-14 **Who's who in the Theatre** , 1914 **Living Together** Mike McManus, Harriett McManus, 2008-03-04 IS LIVING TOGETHER THE ANSWER Since the late 1960s the number of couples living together before marriage has increased significantly as this phenomenon was thought to be the answer to obtaining a successful marriage The theory that couples could practice seemed a perfect solution to an increasingly higher divorce rate After all many argued if we live together first we will really know if we re compatible Mike and Harriet McManus co founders of the Marriage Savers organization argue in this important book that theory and reality are often not the same They take a fundamental position that one can not practice permanence and unless a marriage is established as permanent a couple will not approach it the same way This significant finding has come from the McManuses fifteen years of studying marriage and divorce and their desire to help couples build strong marriages that last a lifetime In the pages of this book you will discover

that the divorce rate is actually higher among couples who live together before marriage as well as important principles that really do give couples the necessary tools for a successful marriage Consider this book an investment in yours or someone else's marriage Whether you are a counselor seeking to help others in their marriage a parent helping a child as he or she is contemplating living with someone a pastor who needs a reliable tool to help couples in his ministry or a person considering living with someone yourself this book is for you     **The Idler** Jerome Klapka Jerome, Robert Barr, Arthur Lawrence, Sidney Herbert Sime, 1897     **The Glass Mender and Other Stories** Maurice Baring, 1926     Marriage, Sexuality, and Gender Robin West, 2015-12-03 Marriage Sexuality and Gender examines contemporary debates about the meaning and value of marriage The book analyzes arguments for traditional marriage including those of neonaturalists utilitarians and communitarians or virtue theorists The volume also considers a range of feminist welfarist and liberationist arguments for ending the institution altogether It evaluates two major reform movements one focused on expanding marriage to include same sex couples and the other focused on the use of law to render marriage more internally just The book concludes with a plea to activists to redirect marriage equality movements toward the creation of an entirely secular civil union law that would respect a broader range of private life long commitments including but not limited to same and opposite sex couples without threatening the role of religious marriage in the lives of those who embrace it and without penalizing nonparticipants
