A Thinking Man's Guide to Voyaging South: The Many Facets of Caribbean Cruising Frank Virgintino, 2012-03-01 Frank Virgintino author of numerous Free Cruising Guides for the Caribbean has been working on A Thinking Man's Guide to Voyaging South for almost a year. Roughly 200 pages long the Guide addresses everything North American sailors need to know to get to the Caribbean safely through a discussion of various routes from North America to the Caribbean as well as a discussion of the entire Caribbean which the author breaks down into four quadrants. The author hopes that the Guide will allow for a clearer understanding of the entire Caribbean as well as the various routes that can be employed. Not only does it cover routes to the Caribbean from N America and cruising routes around the Caribbean it also looks at all aspects of preparation, weather and Gulf Stream information, safety and security and local knowledge and advice imparted by someone who has cruised the Caribbean extensively for many years. **Cruising World**, 2007-12 [Cruising Guide to the Virgin Islands](#) Nancy Scott, Simon Scott, 1996 A free color planning chart covering the Virgin Islands accompanies the 8th edition of the Cruising Guide to the Virgin Islands published by Cruising Guide Publications. The popular guide also features new full color sketch charts. They are accompanied by aerial photography of anchorages, harbors and other favorite cruising sites in the islands. These aerial views are helpful for navigational purposes and for selecting choice anchoring locations. New to the guide is a color section that will aid anglers in fish identification. This section provides readers with color illustrations of popular fish caught in the Virgin Islands. An informative feature on photography in the islands including underwater photography provides advice on choosing the best suited equipment and film for taking Caribbean photos. Another interesting article focuses on birdlife in the British Virgin Islands. Other features include pirates of the Caribbean, edible island fruits, windsurfing and sportfishing. For over a decade this guide has been assisting Virgin Island yachtsmen and vacationers. It also provides revised information on new and improved marina facilities, shoreside resorts, restaurants, shops, diving and snorkeling, provisioning, water safety, customs and a variety of other subjects. The book is broken down into sections including anchorages of the U S Virgin Islands and the British Virgin Islands, all accompanied by dramatic color photography.
