The Gestapo A History Of Horror:

The Gestapo Jacques Delarue,1964 The Gestapo ,1987 **The Gestapo; a History of Horror. Translated from the French by Mervyn Savill** Jacques Delarue,1964 Studies in Intelligence , *The Hangman and His Wife* Nancy Dougherty,2022-05-24 An astonishing journey into the heart of Nazi evil a portrait of one of the darkest figures of Hitler s Nazi elite Reinhard Heydrich the designer and executor of the Holocaust chief of the Reich Main Security including the Gestapo interwoven with commentary by his wife Lina from the author s in depth interviews He was called the Hangman of the Gestapo the butcher of Prague with a reputation as a ruthlessly efficient killer He was the head of the SS and the Gestapo second in command to Heinrich Himmler His orders set in motion the Kristallnacht pogrom of 1938 and as the lead planner of Hitler s Final Solution he chaired the Wannsee Conference at which details of the murder of millions of Jews across Nazi occupied Europe were toasted with cognac In *The Hangman and His Wife* Nancy Dougherty and following her death Christopher Lehmann Haupt masterfully explore who Heydrich was and how he came to be and how he came to do what he did We see Heydrich from his rarefied musical family origins and his ugly duckling childhood and adolescence to his sudden flameout as a promising Naval officer he was forced to resign his Naval commission after dishonoring the office corps by having sex with the unmarried daughter of a shipyard director and refusing to marry her Dougherty writes of his seemingly hopeless job prospects as an untrained civilian during Germany s hyperinflation and unemployment and his joining the Nazi party through the attraction to Nazism of his fianc e Lina von Osten and her father along with the rumor shadowing him of a strain of Jewishness inherited from his father s side And we follow Heydrich s meteoric rise through the Nazi high command from SS major to colonel to brigadier general before he was thirty deputy to Heinrich Himmler expanding the SS the Gestapo and developing the Reich s plans for the Jewish solution And throughout we hear the voice of Lina Heydrich who was by his side until his death at the age of thirty eight living inside the Nazi inner circles as she waltzed with Rudolf Hess feuded with Hermann G ring and drank vintage wine with Albert Speer *Interrogation in War and Conflict* Christopher Andrew,Simona Tobia,2014-04-29 This edited volume offers a comparative and interdisciplinary analysis of interrogation and questioning in war and conflict in the twentieth century Despite the current public interest and its military importance interrogation and questioning in conflict is still a largely under researched theme This volume s methodological thrust is to select historical case studies ranging in time from the Great War to the conflicts in former Yugoslavia and including the Second World War decolonization the Cold War the Troubles in Northern Ireland and international justice cases in The Hague each of which raises interdisciplinary issues about the role of interrogation These case studies were selected because they resurface previously unexplored sources on the topic or revisit known cases which allow us to analyse the role of interrogation and questioning in intelligence security and military operations Written by a group of experts from a range of disciplines including history intelligence psychology law and human rights *Interrogation in War and Conflict* provides a study of the

main turning points in interrogation and questioning in twentieth century conflicts over a wide geographical area The collection also looks at issues such as the extent of the use of harsh techniques the value of interrogation to military intelligence security and international justice the development of interrogation as a separate profession in intelligence as well as the relationship between interrogation and questioning and wider society This book will be of much interest to students of intelligence studies strategic studies counter terrorism international justice history and IR in general Enemies of the People J. Ryan Stackhouse, 2021-10-21 Explores the Gestapo's complex system of enforcement and control to reveal the day to day reality of political policing under Hitler Stackhouse challenges the abiding perception of the Gestapo as policing only through terror and totalitarianism drawing on research in hundreds of secret police case files Hitler, Stalin, and Mussolini Bruce F. Pauley, 2014-07-02 The fourth edition of *Hitler Stalin and Mussolini Totalitarianism in the Twentieth Century* presents an innovative comparison of the origins development and demise of the three forms of totalitarianism that emerged in twentieth century Europe Represents the only book that systematically compares all three infamous dictators of the twentieth century Provides the latest scholarship on the wartime goals of Hitler and Stalin as well as new information on the disintegration of the Soviet empire Compares the early lives of Hitler Stalin and Mussolini their ideologies rise to and consolidation of power and the organization and workings of their dictatorships Features topics organized by themes rather than strictly chronologically Includes a wealth of visual material to support the text as well as a thorough Bibliographical Essay compiled by the author The Nazi Titanic Robert P. Watson, 2016-04-26 Built in 1927 the German ocean liner SS Cap Arcona was the greatest ship since the RMS Titanic and one of the most celebrated luxury liners in the world When the Nazis seized control in Germany she was stripped down for use as a floating barracks and troop transport Later during the war Hitler's minister Joseph Goebbels cast her as the star in his epic propaganda film about the sinking of the legendary Titanic Following the film's enormous failure the German navy used the Cap Arcona to transport German soldiers and civilians across the Baltic away from the Red Army's advance In the Third Reich's final days the ill fated ship was packed with thousands of concentration camp prisoners Without adequate water food or sanitary facilities the prisoners suffered as they waited for the end of the war Just days before Germany surrendered the Cap Arcona was mistakenly bombed by the British Royal Air Force and nearly all of the prisoners were killed in the last major tragedy of the Holocaust and one of history's worst maritime disasters Although the British government sealed many documents pertaining to the ship's sinking Robert P Watson has unearthed forgotten records conducted many interviews and used over 100 sources including diaries and oral histories to expose this story As a result *The Nazi Titanic* is a riveting and astonishing account of an enigmatic ship that played a devastating role in World War II and the Holocaust *Stalin's Secret War* Robert W. Stephan, 2004 An animated adaptation of the story of the same title by Maurice Sendak in which a small boy makes a visit to the land of the wild things Tells how he tames the creatures and returns home For primary grades
