The Ghosts At Grantley:

The Ghosts at Grantley Leonard Kip, 2020-09-28 The London stagecoach dropped me at the gatelodge of Grantley Grange and according to my usual custom I started up to the Hall on foot It was such a pleasant Christmas morning as perhaps is not often seen and might well have tempted to a longer walk than that short mile up the carefully trimmed avenue There had been a slight fall of snow a mere sprinkle indeed but it was sufficient to clothe the brown turf with a dainty tint of pearl and to make the dry leaves rattle crisp beneath the feet and to project the great oaks in seemingly more ancient grandeur against the brightened background and generally to give an unusually cheery and exhilarating aspect to the whole scenery of the park When I had nearly reached the Hall the church clock struck noon and immediately all the bells began to ring out a merry Christmas peal Up and down hither and thither now a snatch of tune and again a meaningless clashing of all the bells at once single notes and double and triple concords and in fact everything that well disposed bells ever can or will do so it ran on right cheerily Now it was that I anticipated my Uncle Ruthven would hasten out to meet and welcome me For I knew that he was fond of listening to the chimes and when the changes were being sounded upon them he would not unfrequently sit at the open window the better to enjoy them And of course as I could now plainly see the Hall through the leafless trees he from his open window could as readily watch my approach Somewhat to my momentary chagrin however he did not come forth or even meet me at the door and I was suffered to enter unannounced And passing through the main hall I wandered into the library

invite readers to reconsider the spectral not with terror but with a smile as Bangs masterfully subverts gothic tropes and infuses them with his signature humor John Kendrick Bangs 1862 1922 was a prolific American author editor and satirist renowned for his light hearted approach to what he termed Bangsian fantasy a genre which explores the afterlife with amusement rather than dread This particular work is a reflection of Bangs sharp intellect and his fascination with the afterworld a subject he often explored with levity and irreverence His literary output is motivated by the desire to entertain and satirize the sometimes overly serious works of his contemporaries and *Ghosts I Have Met* and *Some Others* remains emblematic of his offbeat literary ethos This reissued edition by DigiCat Publishing is a testament to the enduring charm of John Kendrick Bangs work and is a must read for admirers of classic ghost stories and enthusiasts of fantastical satire It offers an accessible entry point for those unacquainted with Bangsian humor and a delightful revisitation for longstanding fans In an age saturated with solemn and often formulaic takes on the paranormal Bangs dispatches from the world of spirits provide a refreshing and thought provoking departure one that avid readers and scholars of American literature will find both intellectually satisfying and gleefully entertaining *Hannibal's Man, and Other Tales* Leonard Kip, 1878 The Corner House Fred M.
