

A photograph of a dirt path leading through a forest. The path is covered in fallen leaves and leads towards a bright light at the end of the path, creating a strong perspective. The trees on either side are mostly deciduous with autumn-colored foliage (yellows, oranges, and browns), but there are also some evergreen trees visible in the background. The overall atmosphere is serene and contemplative.

The hint half guessed, the gift half
understood, is incarnation. Here the
impossible union of spheres of
existence is actual. Here the past and
future are conquered and reconciled.
