The Girls Sappho Goes To Hollywood:

The Girls Diana McLellan, 2001-09-19 Diana McLellan reveals the complex and intimate connections that roiled behind the public personae of Greta Garbo Marlene Dietrich Tallulah Bankhead and the women who loved them Private correspondence long secret FBI files and troves of unpublished documents reveal a chain of lesbian affairs that moved from the theater world of New York through the heights of chic society to embed itself in the power structure of the movie business *The Girls* serves up a rich stew of film politics sexuality psychology and stardom *Girls* Diana

McLellan, 2004-02-28 If you were one of the girls as early Hollywood described Sapphic stars lesbian affairs lent an edge to both your life and your work This book lifts the veil from the lives of such powerful and uninhibited Hollywood goddesses as Nazimova Dietrich Bankhead and Garbo range nurtured your amour propre kept your skin clear and your eyes bright burnished your acting skills and even as director Josef von Sternberg believed exerted a powerful androgynous magnetism through the lens of the camera attracting the unwitting desires of both men and women in the cinema audience **The**

Fixers E.J. Fleming, 2015-01-28 Eddie Mannix and Howard Strickling are virtually unknown outside of Hollywood and little remembered even there but as General Manager and Head of Publicity for Metro Goldwyn Mayer Studios they lorded over all the stars in Hollywood's golden age from the 1920s through the 1940s including legends like Garbo Dietrich Gable and Garland When MGM stars found themselves in trouble it was Eddie and Howard who took care of them solved their problems hid their crimes and kept their secrets They were the Fixers At a time when image meant everything and the stars were worth millions to the studios that owned them Mannix and Strickling were the most important men at MGM Through a complex web of contacts in every arena from reporters and doctors to corrupt police and district attorneys they covered up some of the most notorious crimes and scandals in Hollywood history keeping stars out of jail and more importantly their names out of the papers They handled problems as diverse as the murder of Paul Bern husband of MGM's biggest star Jean Harlow the studio directed drug addictions of Judy Garland the murder of Ted Healy creator of *The Three Stooges* at the hands of Wallace Beery and arranging for an unmarried Loretta Young to adopt her own child a child fathered by a married Clark Gable Through exhaustive research and interviews with contemporaries this is the never before told story of Eddie Mannix and Howard Strickling The dual biography describes how a mob related New Jersey laborer and the quiet son of a grocer became the most powerful men at the biggest studio in the world *Queer Cinema in America* Aubrey

Malone, 2019-11-11 Explore queer cinema over time with this comprehensive encyclopedia helping readers understand films directors actors themes and other topics related to LGBTQ cinema history Just as American society has changed dramatically from decade to decade so has queer cinema Taking us from a time when LGBTQ characters were often represented as either caricatures or figures of farce this lively yet authoritative reference explores the sea change ushered in by such stars as Greta Garbo and Marlene Dietrich in the 1930s and 40s androgynous figures such as Montgomery Clift James Dean and

Marlon Brando in the 50s and closeted gay men such as Rock Hudson and Liberace whose double lives were exposed by the scourge of AIDS Included are alphabetically arranged entries on stars directors films themes and other topics related to queer cinema in America including films and persons from outside the U S who nonetheless figured prominently in America popular culture Entries cite works for further reading sidebars provide snippets of interesting trivia a timeline highlights key events and a selected general end of work bibliography cites the most important major works on the topic *The Oxford Handbook of Decadence* Jane Desmarais, David Weir, 2022 The Oxford Handbook of Decadence provides the most thorough examination of decadence to date by exploring the ramifications of this culture in different times and places from ancient Rome to contemporary America Thirty five wide ranging chapters address decadence not only in literature but also in film fashion architecture and more as well as in such fields as theology science psychoanalysis philosophy and politics

Greta Garbo David Bret, 2012-06-25 In the male oriented studio system Greta Garbo wielded a power no other actress has ever possessed before or since Be it producer director lover or journalist Garbo called the shots and when she decided that she was done with the whirlwind of life as Hollywood s darling she withdrew completely leaving her public begging for an encore that never came Though there have been numerous biographies of Garbo this is the first to investigate fully the two so called missing periods in the life of this most enigmatic of Hollywood stars the first during the late 1920s forcing MGM to employ a lookalike to conceal what was almost certainly a pregnancy the second during World War II when Garbo was employed by British Intelligence to track down Nazi sympathisers It also analyses in detail the original uncensored copies of Garbo s films with the exception of *The Divine Woman* of which no complete print survives and offers substantial evidence that John Gilbert was not in fact the great love of her life Rather her true affections lay with the gay Sapphic and Scandinavian members of her very intimate inner circle Using previously unsourced material along with anecdotes from friends and colleagues that have never before been published David Bret paints a rounded portrait of Garbo s childhood in Sweden her rise to stardom and her all too brief reign as queen of MGM Hers is a truly remarkable story recounted here with warmth intensity and unique insight

[Historical Dictionary of the Lesbian and Gay Liberation Movements](#) JoAnne Myers, 2013-09-19 Not so long ago hardly anything was said of the Lesbian Liberation Movement and the Gay Liberation Movement indeed the terms gay and lesbian were not even used if some other expression could be found Today by contrast hardly a day passes when something important does not occur and is carried by the major media and disseminated on more personal levels through blogs and the social media If anything there is perhaps too much news and not enough information Obviously a book like this cannot keep up with the news but it can do something equally important when it comes to information by reminding us of the past and what has been going and just how fast events are moving The Historical Dictionary of the Lesbian and Gay Liberation Movements covers the history of this movement through a cross referenced dictionary with over 1000 entries on specific countries and regions influential historical figures laws that criminalized same sex sexuality various historical terms that

have been used to refer to aspects of same sex love and contemporary events and legal decisions Including a comprehensive chronology and bibliography this book is an excellent access point for students researchers and anyone interested in learning more about the struggle for equality **Liesl Frank, Charlotte Dieterle and the European Film Fund** Martin

Sauter,2012-10-25 Setting out to provide a definitive history of the European Film Fund EFF the purpose of this thesis is as follows first to draw attention to the many exile and refugee organisations by examining one of them the EFF As a study of a refugee organisation founded as a result of Nazism my examination of the EFF not only fills an existing gap in film history as far as the EFF itself is concerned Refugee organisations in general have received scant attention by exile scholars By making one refugee organisation the focus of my inquiry I am also highlighting the presence of women in the topic of exile as two women Liesl Frank wife of the writer Bruno Frank and Charlotte Dieterle wife of the director William Dieterle were at the centre of the EFF My investigation of this organisation demonstrates that women played a much larger role in exile and exile communities than history and literature have thus far accorded them Additionally I show how the political situation after 1933 including apathy by the international community led to the founding of the EFF Lastly by shifting the focus away from figureheads of the migr community to below the line film artists technicians theatre artists and so on I foreground those refugees whose lives have hitherto been obscured by their more famous fellow migr s **The Sun and Her Stars** Donna

Rifkind,2021-02-02 National Jewish Book Award Finalist The little known story of screenwriter Salka Viertel whose salons in 1930s and 40s Hollywood created a refuge for a multitude of famous figures who had escaped the horrors of World War II Hollywood was created by its others that is by women Jews and immigrants Salka Viertel was all three and so much more She was the screenwriter for five of Greta Garbo s movies and also her most intimate friend At one point during the Irving Thalberg years Viertel was the highest paid writer on the MGM lot Meanwhile at her house in Santa Monica she opened her door on Sunday afternoons to scores of European migr s who had fled from Hitler such as Thomas Mann Bertolt Brecht and Arnold Schoenberg along with every kind of Hollywood star from Charlie Chaplin to Shelley Winters In Viertel s living room the only one in town with comfortable armchairs said one Hollywood insider countless cinematic theatrical and musical partnerships were born Viertel combined a modern before her time sensibility with the Old World advantages of a classical European education and fluency in eight languages She combined great worldliness with great warmth She was a true bohemian with a complicated erotic life and at the same time a universal mother figure A vital presence in the golden age of Hollywood Salka Viertel is long overdue for her own moment in the spotlight George Cukor Murray

Pomerance,2015-07-07 The various essays in this volume all written by prominent experts in the field offer critical discussions of every feature film Cukor directed and include a rich trove of valuable information about their production histories
