

The Glamour Factory

Steven Bingen

The Glamour Factory:

The Glamour Factory Ronald L. Davis, 1993 This history of the Hollywood film industry draws primarily on taped and transcribed interviews with director actors and others from the Southern Methodist University Oral History Collection on the Performing Arts which the author founded in 1972 and continues to direct Annotation copyright by Book News Inc Portland OR

The Glamour Factory Ronald L. Davis, 2001-01-01 *Hollywood* Aida Hozic, 2018-10-18 Hollywood is currently one of the largest and most profitable sectors of the U S economy In just a few decades it has transformed itself from a dying company town into a merchandising emporium of movies games and licensed characters It is quickly moving even further into cyberspace virtual reality and digital imaging Aida Hozic writes of these enormous changes in the film industry from a novel perspective by tracing shifts in spatial organization of film production from the enclosed worlds of old Hollywood studios through globally dispersed location shooting to digital production and distribution Hozic s fascinating tale of latter day capitalism suggests that the physical reorganization of production across the American economy but in Hollywood in particular alters material and conceptual boundaries between work and leisure public and private reality and fantasy Particular economic regimes and forms of spatial organization have specific moral implications and so the story of Hollywood s cultural production is partly a story of censorship and moral surveillance Hozic s account of industrial change in Hollywood and of its attempts at moral control over the production of fantasy is an illuminating confrontation with the peculiar nature of Hollywood s political authority and of its complex power

Paramount Steven Bingen, 2016-12-31 Paramount City of Dreams brings to life the operations of the world s grandest movie lot as never before by opening its famous gates and revealing for the first time the wonderful myriad of soundstages and outdoor sets where for one hundred years Paramount has produced the world s most famous films With hundreds and hundreds of rare and unpublished photographs in color and black white readers are launched aboard a fun and entertaining virtual tour of Hollywood s first most famous and most mysterious motion picture studio Paramount is a self contained city But unlike any community in the real world this city s streets and lawns its bungalows and backlots will be familiar even to those who have never been there Now for the first time these much filmed much haunted acres will be explored and the mysteries and myths peeled away bringing into focus the greatest of all of Hollywood s legendary dream factories

Like a Natural Woman Kirsten Pullen, 2014-08-08 Bathing beauty Esther Williams bombshell Jane Russell exotic Carmen Miranda chanteuse Lena Horne and talk show fixture Zsa Zsa Gabor are rarely hailed as great actors or as naturalistic performers Those terms of praise are given to male stars like Marlon Brando and James Dean whose gritty dramas are seen as a departure from the glossy spectacles in which these stars appeared Like a Natural Woman challenges those assumptions revealing the skill and training that went into the work of these five actresses who employed naturalistic performance techniques both onscreen and off Bringing a fresh perspective to film history through the lens of performance studies Kirsten Pullen explores the ways in which these actresses who always appeared to be playing

themselves responded to the naturalist notion that actors should create authentic characters by drawing from their own lives. At the same time she examines how Hollywood presented these female stars as sex objects focusing on their spectacular bodies at the expense of believable characterization or narratives. Pullen not only helps us appreciate what talented actresses these five women actually were but also reveals how they sought to express themselves and maintain agency even while meeting the demands of their directors, studios, families, and fans to perform certain feminine roles. Drawing from a rich collection of classic films, publicity materials, and studio archives, *Like a Natural Woman* lets us take a new look at both Hollywood acting techniques and the performance of femininity itself. Van Johnson Ronald L. Davis, 2009-09-28 Van Johnson's dazzling smile, shock of red hair, and suntanned freckled cheeks made him a movie star icon. Among teenaged girls in the 1940s he was popularized as the bobbysoxer's heartthrob. He won the nation's heart too by appearing in a series of blockbuster war films: *A Guy Named Joe*, *Thirty Seconds Over Tokyo*, *Weekend at the Waldorf*, and *Battleground*. Perennially a leading man opposite June Allyson, Esther Williams, Judy Garland, and Janet Leigh, he rose to fame radiating the sunshine image. Metro Goldwyn Mayer chose for him that of an affable, wholesome boy next door. Legions of adoring moviegoers were captivated by this idealized persona that generated huge box office profits for the studio. However, Johnson's off-screen life was not so sunny. His mother had rejected him in childhood, and he lived his adult life dealing with sexual ambivalence. A marriage was arranged with the ex-wife of his best friend, the actor Keenan Wynn. During the waning years of Hollywood's Golden Age, she and Johnson lived amid the glow of Hollywood's A crowd. Yet their private life was charged with tension and conflict. Although morose and reclusive by nature, Johnson maintained a happy-go-lucky facade even among co-workers who knew him as a congenial, dedicated professional. Once free of the golden boy stereotype, he became a respected actor, assigned stellar roles in such acclaimed films as *State of the Union*, *Command Decision*, *The Last Time I Saw Paris*, and *The Caine Mutiny*. With the demise of the big studios, Johnson returned to the stage where he had begun his career as a song and dance man. After this, he appeared frequently in television shows, performed in nightclubs, and became the legendary darling of older audiences on the dinner playhouse circuit. Johnson 1916-2008 spent his post-Hollywood years living in solitude in New York City. This solid, thoroughly researched biography traces the career and influence of a favorite star and narrates a fascinating, sometimes troubled, life story. *All for Beauty* Adrienne L. McLean, 2022-07-15 This book provides an industrial history that examines how and why makeup and hairdressing evolved as crafts in the studio era. Readers will never again watch Hollywood films without thinking about the roles of makeup and hairdressing in creating not just fictional characters but stars as emblems of an idealized and undeniably mesmerizing visual perfection. The Factory of Facts Lucy Sante, 2012-09-12 The acclaimed author of *Low Life* reinvents the memoir in a cunning, lyrical book that is at once a personal history and a meditation on the construction of identity. Born in Belgium but raised in New Jersey, Lucy Sante transformed herself from a pious, timid Belgian child into a boisterous American adolescent who eschewed French while fantasizing about

the pop star Fran oise Hardy To show how this transformation came about and why it remained incomplete The Factory of Facts combines family anecdote and ancestral legend detailed forays into Belgian history language and religion and deft synopses of the American character Never Done Erin Hill,2016-10-05 Histories of women in Hollywood usually recount the contributions of female directors screenwriters designers actresses and other creative personnel whose names loom large in the credits Yet from its inception the American film industry relied on the labor of thousands more women workers whose vital contributions often went unrecognized Never Done introduces generations of women who worked behind the scenes in the film industry from the employees wives who hand colored the Edison Company s films frame by frame to the female immigrants who toiled in MGM s backrooms to produce beautifully beaded and embroidered costumes Challenging the dismissive characterization of these women as merely menial workers media historian Erin Hill shows how their labor was essential to the industry and required considerable technical and interpersonal skills Sketching a history of how Hollywood came to define certain occupations as lower paid women s work or feminized labor Hill also reveals how enterprising women eventually gained a foothold in more prestigious divisions like casting and publicity Poring through rare archives and integrating the firsthand accounts of women employed in the film industry the book gives a voice to women whose work was indispensable yet largely invisible As it traces this long history of women in Hollywood Never Done reveals the persistence of sexist assumptions that even today leave women in the media industry underpraised and underpaid For more information <http://erinhill.squarespace.com> **The Power of Glamour** Virginia Postrel,2013-11-05 An exploration of glamour a potent cultural force that influences where people choose to live which careers to pursue where to invest and how to vote offers empowerment to be smarter about engaging with the world

The Glamour Factory Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Glamour Factory free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Glamour Factory free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Glamour Factory free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading The Glamour Factory. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or

magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Glamour Factory any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Glamour Factory Books

1. Where can I buy The Glamour Factory books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Glamour Factory book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of The Glamour Factory books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are The Glamour Factory audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media

or recommend them to friends.
