The Glass Madonna:

The Glass Madonna Liza Manning, 1986 *The Glass Madonna* Liza Manning, 1988 **The Glass Madonna** Donna Meredith, 2010

Donna Meredith's award winning debut novel tells the powerful story of a woman's determination to create her own destiny. She weaves together stories of three generations of glass workers who emigrate from Germany to West Virginia, underscoring the importance of the women's movement in freeing women and men from debilitating secrets and ruinous marriages.

Madonna J. Randy Taraborrelli, 2001-09-27

Madonna: Megastar, Lover, Mother, Opportunist, Chameleon, Role model. She's all of these things and more. Yet who is she really? In *Madonna: An Intimate Biography*, author J. Randy Taraborrelli's scrupulously researched and completely balanced unauthorized biography of one of the world's most celebrated entertainers, the reader is allowed to draw his or her own conclusions. Indeed, the portrait by bestselling author Taraborrelli paints here is of a truly complex woman, one who is driven and determined to succeed at any cost yet who displays remarkable vulnerability when it comes to matters of the heart. It is significant that *Madonna: An Intimate Biography* is the first such book written about the star in over a decade because in the past ten years the ever-changing Madonna has gone through her biggest transformation yet: from tempestuous sex goddess to happily married mother. Amazingly, as she launches her first worldwide tour in eight years, she is now at forty, something enjoying one of the most successful periods of her groundbreaking career. Whereas other books about Madonna have been based on previously published material, *Madonna: An Intimate Biography* is the result of ten years of exclusive interviews with people who are speaking publicly about her for the first time, including close friends, business associates, and even family members. Since Taraborrelli interviewed the star herself early in her career, he is now able to draw from such firsthand experiences to place her success story in perspective and provide new, stunning insights. The true Madonna as presented here is not merely a sensation-seeking tabloid vixen but a flesh-and-blood woman with human foibles and weaknesses as well as great strengths and ambitions. For the first time, the reader learns about the complex nature of her difficult relationship with her father and how the two finally found one another after years of estrangement; how Warren Beatty broke her heart and why the two never wed; how she and John Kennedy Jr. became romantically involved; his mother's reaction to the prospect of Madonna as a daughter-in-law and why it could never have worked out; the truth of her relationships with the fathers of her two children; and how, as a loving and attentive mother, she has evolved into a surprisingly different woman and what the future holds for her. *Madonna: An Intimate Biography* is a truly explosive and definitive account of the life of an entertainer who is undoubtedly one of the most popular trendsetting figures of our time. Full of amazing disclosures about her private life and public career, *Madonna: An Intimate Biography* is a great entertainment for anyone who enjoys a remarkable story stirring told.
