The Glove The Retrial Of John Jones:

The Glove Lem Yedowicz, 2004-11-01 Kevin MacPartlin relatively inexperienced private detective gets a new assignment from his boss They are to work for a lawyer to prove a convicted man John Jones is innocent by way of appeal and retrial of double murder The main evidence against Jones was a dropped glove by a hedge at the Jones residence found by an alleged racist cop Kevin likes neither Jones nor the cop but as the retrial continues a new way of looking at the evidence turns the retrial topsy turvy with a startling outcome **The Trial of John Garrity** Milton Bass, 2025-01-29 BASS delivers a legal thriller that meets the American moment a bold portrait of the twisted truths at the heart of even the most normal of families A literary whodunit ERIN BURNETT anchor Erin Burnett Out Front CNN MILTON BASS and his fiction have always been criminally under appreciated What the guy needs is a good lawyer The Doctor Who Made House Calls made me want to become a novelist The Trial of John Garrity makes me want to stay one just to be in his company BILL SCHEFT author of The Ringer and Shrink Thyself John Garrity is a wealthy Irish Catholic attorney living the country club life in a small New England city with his wife Rebecca and their six kids The Garritys seem to have it all but their picture perfect family portrait belies the troubles within When a judge offers Garrity a pro bono murder case a young man from the opposite end of the social spectrum Charles Cooper is accused of murdering his 14 year old half sister he takes it out of boredom even though he has never worked as a criminal defense attorney Garrity s bumbling attempts at investigating the murder mystery and his frustrations with his client s family put him on a path to potential failure for the first time The story unfolds as a both a legal thriller and a three dimensional family drama with Garrity having to confront unspoken truths about himself his household and especially his relationship with his wife As events in the courtroom approach a boiling point he comes face to face with the harsh realization that the Garritys have a startling amount in common with the family of the victim and the young man he is defending Can he overcome it all to save his client his practice and most importantly his family Praise for the novels of Milton Bass BASS lets it all hang out when he writes a nice mix of stylish suspense and slapdash action He scares you too BOSTON GLOBE MILTON BASS has an extraordinarily good ear for language He never misses a beat CHICAGO TRIBUNE BASS succeeds from first to last in giving new twists to familiar characters and situations NEWSDAY **The Trial of John George Haigh** John George Haigh, 1953 *A Complete Collection of State-trials and Proceedings for High-treason, and Other Crimes and Misdemeanors: 1696-1709* Sollom Emlyn, 1742 **Trial by Jury** James Oldham, 2006-06 While the right to be judged by one s peers in a court of law appears to be a hallmark of American law protected in civil cases by the Seventh Amendment to the Constitution the civil jury is actually an import from England Legal historian James Oldham assembles a mix of his signature essays and new work on the history of jury trial tracing how trial by jury was transplanted to America and preserved in the Constitution Trial by Jury begins with a rigorous examination of English civil jury practices in the late eighteenth century including how judges determined one s right to trial by jury and who composed the jury Oldham then

considers the extensive historical use of a variety of special juries such as juries of merchants for commercial cases and juries of women for claims of pregnancy Special juries were used for centuries in both English and American law although they are now considered antithetical to the idea that American juries should be drawn from jury pools that reflect reasonable cross sections of their communities An introductory overview addresses the relevance of Anglo American legal tradition and history in understanding America s modern jury system *A Collection of the most remarkable Trials of persons for High-Treason, Murder, Heresy ...* ,1734 *A Complete Collection of State Trials and Proceedings for High Treason and Other Crimes and Misdemeanors* ,1812 *A Complete Collection Of State-Trials And Proceedings For High-Treason And Other Crimes and Misdemeanours* ,1730 ***A Complete Collection of State Trials and Proceedings for High Treason and Other Crimes and Misdemeanors from the Earliest Period to the Year 1783, with Notes and Other Illustrations*** ,1816 ***A Complete Collection of State Trials and Proceedings for High Treason and Other Crimes and Misdemeanors from the Earliest Period to the Year 1820.
