The Goddessjustice:

Living the Justice of the Triune God David N. Power, Michael Downey, 2012-02-01 This groundbreaking book is distinctive for the explicit attention it gives to the communal intersubjective cultural and linguistic embodiment of the workings of God in the world. It emphasizes not simply acting justly but living with in and from the justice of the triune God by which we are justified. Finally, it offers an important sacramental and liturgical grounding to the Christian understanding of both justice and the triune God. David N. Power and Michael Downey make clear to contemporary believers why a spiritual and sacramental life that is ordered by its trinitarian orientation must include the desire for justice. In short, it is an ethic of social justice that springs from contemplation of the Divine Trinity in the world. **Waiting for God, Justice, and Rush-Hour Traffic** Dennis

Okholm, 2025-06-12 Patience is an indispensable Christian virtue but is often neglected. Often it is thought to be passive inactivity, but nothing could be farther from the truth. Christian patience is creatively active. It has been so in the church's mission in God's response to fallen humanity in the cross-shaped life of those who are waiting for justice and even in the believer's experience of God's silence. Okholm delves into these facets of patience, illustrating them with the experiences of those who have practiced the creative activity of patience and concluding with strategies to cultivate the virtue in our lives.

The God of Peace John Dear, 2005-03-08 The God of peace is never glorified by human violence. Thomas Merton. The God of Peace. John Dear's classic theology of nonviolence broke new ground when it was first published as a breakthrough toward a new understanding of scripture, theology, social concerns, and churches' issues from the perspective of Gospel nonviolence in the tradition of Mahatma Gandhi, Martin Luther King Jr., and Dorothy Day. This ground-breaking study begins not just with the culture of violence but the nonviolence of God and the revolutionary nonviolence of Jesus. From the start, John Dear explores traditional areas of theology such as Christology, Trinitarian Theology, anthropology, sin, redemption, theodicy, salvation, ecclesiology, eschatology, spirituality, liturgy, Catholic social teaching, the just war theory, feminism, liberation theology, and the consistent ethic of life. This text will help university and theology students pursuing the theology and spirituality of nonviolence as well as ordinary Christians and activists interested in the crucial connection between war and violence and God and nonviolence. **Discovering the God Who Is** R. C. Sproul, 2008-02-01 The minister gently guided my mother away

from the grave to a waiting car. I moved behind them in a grim stupor. I was confused. I was hurt. I was angry. One question pierced my soul: Who are you, God? And why do you do the things you do? Thus began R. C. Sproul's search for ultimate truth and a personal encounter with the living God. In *Discovering the God Who Is*, readers will journey with Sproul to discover for themselves the magnificence of God's character and being, his power and personality. Sproul asks the questions many of us wonder about God: Is the Bible the Word of God? What is righteousness? What is the difference between a moral and a legal right? How does God create something from nothing? Does God change his mind? Sproul communicates deep truths in a fresh and easy-to-understand style. Join R. C. Sproul as he shares his passion for God and excites the reader to dig deep and know
