The Gold Thread Essays On George Macdonald:

The Gold Thread William Raeper, 2015-11-03 Both children's literature and fantasy literature have become established as genre for critical study in recent years especially in the United States As one of the outstanding children's authors of the nineteenth century and a pioneer of fantasy writing MacDonald has become the focus of increased attention As an acknowledged influence on many authors who came after him authors such as E Nesbit G K Chesterton C S Lewis W H Auden and T S Eliot MacDonald is one of the rare writers whose work is a starting point for evaluating the achievements of others New forms of critical theory Jungian psychoanalytic and feminist turning towards the exploration of sexuality and the fantastic have also found fitting subjects in MacDonald's texts This volume studies these developments and also the growing acknowledgment that MacDonald was a Scottish writer and a Victorian His enduring works have been his children's books *At the Back of the North Wind* *The Princess and the Goblin* *The Princess and Curdie* and the fairy tales of *The Golden Key* His two adult fantasy novels *Phantasties* and *Lilith* are now recognized as classics of their kind *George MacDonald's*

Children's Fantasies and the Divine Imagination Colin Manlove, 2020-01-01 The great Victorian Christian author George MacDonald is the well spring of the modern fantasy genre In this book Colin Manlove offers explorations of MacDonald's eight shorter fairy tales and his longer stories *At the Back of the North Wind* *The Princess and the Goblin* *The Wise Woman* and *The Princess and Curdie* MacDonald saw the imagination as the source of fairy tales and of divine truth together For he believed that God lives in the depths of the human mind and sends up from thence wonderful gifts into the light of the understanding This makes MacDonald that very rare thing a writer of mystical fiction whose work can give us experience of the divine Throughout his children's fantasy stories MacDonald is describing the human and divine imagination In the shorter tales he shows how the imagination has different regions and depths each able to shift into the other With the longer stories we see the imagination in relation to other aspects of the self and to its position in the world Here the imagination is portrayed as often embattled in relation to empiricism egotism and greed **Theology of George MacDonald** John R. de

Jong, 2021-01-01 George MacDonald 1824-1905 was writing at a time of Evangelical unease In a society ravaged by Asiatic cholera numbed by levels of infant mortality and fearful of revolution and the toxicity of industry to name but a few of the many challenges the gospel proclaiming eternal damnation for unbelievers was hardly good news rather Christianity was increasingly viewed as the source of bad news and a tool of state oppression MacDonald agreed in his view the church had become a vampire sucking the blood of her children instead of offering them Eucharistic life In contrast like Christ MacDonald offers us a child Although at first sight a familiar Romantic incarnation in MacDonald's theology the child becomes an unlikely icon challenging the vampire's kingdom and confronting the foundations of much of Western theology John R de Jong's meticulously researched study of MacDonald's work especially his realist and fantasy novels in its Victorian context is of more than historical interest In light of the growth of fundamentalist expressions of Christianity we are

encouraged to consider embracing MacDonald's radical solution to religious vampirism becoming children **George MacDonald's Challenging Theology of the Atonement, Suffering, and Death** Miho Yamaguchi, 2007-06 This book sheds light on the challenging theology of nineteenth century Scottish writer George MacDonald concerning the true meaning of the Atonement the purpose of trials and suffering the nature of the unpardonable sin hope for growth and death Under consideration is Thomas Hooker's Poor Doubting Christian Drawn unto Christ on the redemption of Joan Drake and its influence on MacDonald's Wingfold trilogy MacDonald's version of the Wandering Jew MacDonald's interpretation of Coleridge's The Rime of the Ancient Mariner and Dante's Divine Comedy and similarities and differences between the theological ideas of MacDonald C S Lewis Elizabeth Prentiss and Shusaku Endo **The Maternal Image of God in Victorian Literature** Rebecca Styler, 2023-07-10 This book is the study of a religious metaphor the idea of God as a mother in British and US literature 1850 1915 It uncovers a tradition of writers for whom divine motherhood embodied ideals felt to be missing from the orthodox masculine deity Elizabeth Gaskell Josephine Butler George Macdonald Frances Hodgson Burnett and Charlotte Perkins Gilman independently reworked their inherited faith to create a new symbol that better met their religious needs based on ideal Victorian notions of motherhood and Mother Nature Divine motherhood signified compassion universal salvation and a realised gospel of social reform led primarily by women to establish sympathetic community Connected to Victorian feminism it gave authority to women's voices and to feminine cultural values in the public sphere It represented divine immanence within the world often providing the grounds for an ecological ethic including human animal fellowship With reference also to writers including Charlotte Brontë Anna Jameson Charles Kingsley Elizabeth Charles Theodore Parker Harriet Beecher Stowe Mary Baker Eddy and authors of literary utopias this book shows the extent of maternal theology in Victorian thought and explores its cultural roots The book reveals a new way in which Victorian writers creatively negotiated between religious tradition and modernity *George MacDonald* Rolland Hein, 2014-11-10 C S Lewis once remarked that his debt to George MacDonald's writings was almost as great as one man can owe to another I know hardly any other writer who seems to be closer or more continually close to the Spirit of Christ Himself Born in Scotland in 1824 MacDonald was educated at King's College in Aberdeen and Highbury Seminary in London As a Christian minister he indulged early his fondness and skill in the writing of poetry then fantasy and fiction as well as sermons Quickly becoming known for his literary skills he became a popular writer and lecturer counting among his friends and fans Lady Byron Alfred Lord Tennyson Mark Twain John Ruskin Matthew Arnold and Lewis Carroll who only published Alice's Adventures in Wonderland at the urging of the MacDonald family At the time of his death in 1905 he left behind a large volume of work that has had a profound influence on many writers including G K Chesterton C S Lewis J R R Tolkien Madeleine L Engle and Frederick Buechner This seminal biography is based upon a careful researching of thousands of letters written to and by MacDonald as well as personal papers and documents collected in museums and libraries in America

and Europe A noted MacDonald scholar Rolland Hein spent over a decade reading and researching these documents with a view to exploring those aspects of the life and experiences of this great author and saint that have so profoundly influenced many of the seminal authors of the twentieth century

A Complete Identity Rachel E. Johnson, 2014-05-28 This book offers an examination of the hero figure in the work of G A Henty 1832 1902 and George MacDonald 1824 1905 and a reassessment of oppositional critiques of their writing It demonstrates the complementary characteristics of the hero figure which construct a complete identity commensurate with the Victorian ideal hero The relationship between the expansion of the British Empire and youthful heroism is established through investigation of the Victorian political social and religious milieu the construct of the child and the construct of the hero A connection between the exotic geographical space of empire and the unknown psychological space is drawn through examination of representation of the other in the work of Henty and MacDonald This book demonstrates that Henty s work is more complex than the stereotypically linear masculine imperialistic critique of his stories as historical realism allows and that MacDonald s work displays more evidence of historical embedding and ideological interpellation than the critical focus on his work as fantasy and fairy tale considers Greater understanding of the effect of this heroic ideal on nineteenth century society leads to a greater understanding of the implications for subsequent children s literature and Western cultures including that of the twenty first century

Biblical Wisdom and the Victorian Literary Imagination Denae Dyck, 2024-02-08 Examining the creative thought that arose in response to 19th

century religious controversies this book demonstrates that the pressures exerted by historical methods of biblical scholarship prompted an imaginative recovery of wisdom literature During the Victorian period new approaches to the interpretation of sacred texts called into question traditional ideas about biblical inspiration motivating literary transformations of inherited symbols metaphors and forms Drawing on the theoretical work of Paul Ricoeur Denae Dyck considers how Victorian writers from a variety of belief positions used wisdom literature to reframe their experiences of questioning doubt and uncertainty Elizabeth Barrett Browning George MacDonald George Eliot John Ruskin and Olive Schreiner This study contributes to the reassessment of historical and contemporary narratives of secularization by calling attention to wisdom literature as a vital distinctive genre that animated the search for meaning within an increasingly ideologically diverse world

The Occult Novels of Dion Fortune Georgia van Raalte, 2025-01-28 This monograph explores the work of Dion Fortune one of the most prolific British occult authors of the interwar period and her claim that her books had an initiatory quality She held that reading her books and meditating on their contents could produce a lasting change in consciousness which in turn could lead to lasting changes in an individual's life This book aims to rehabilitate a figure largely forgotten by both the fields of Literature and of Esotericism and proposes a framework for analysing initiatory fiction and the experience of fictional initiation The study presents a new avenue for research and theoretical perspective on literary texts from the Occult Revival as well as on famed modernist texts and more contemporary occult fiction
