The Golden Tree:

The Golden Tree (Guardians of Ga'Hoole #12) Kathryn Lasky, 2010-06-01 After the time of the legends the tale of the Guardians returns to the present in which Soren the hero of Books 1-6 must train a new king. Old friends new adventures. Coryn Soren and the Band preside over a new Golden Age of the Great Tree under the subtle influence of the Ember. All seems well but beneath the prosperity of peace Coryn is tortured by the suspicion that his evil mother Nyra is a hagsfiend and that his own blood carries the haggish taint. He wanders afar searching for the truth from hagsfiends themselves putting the Great Tree in danger. Soren the Band follow their new king to strange parts to guard him from the consequences of his obsession.

The Golden Tree Kathryn Lasky, 2007-01-01 The golden age which is expected from the Great Ga Hoole Tree turns gradually worse as the owl young king hunts for the truth about his ancestry. *The Golden Tree*, **Golden Tree**

The Order of the Golden Tree Carol Mary Chattaway, 2006 This book explores the policy objectives underlying the gift of this Order to sixty men on January 1, 1403. Drawing primarily on Philip's household accounts it undertakes complementary iconographical and prosopographical analyses of the Order insignia's form, materials, design and motto and of distinguishing common features among its recipients refined by reference to his policy concerns around the occasion of its bestowal to test seven hypotheses. The evidence from the analyses enables six of these that it was purely decorative, a courtly conceit, crusade related, a military chivalric order, a livery badge or a military alliance progressively to be discarded pointing strongly to the seventh that the Order was a specific policy alliance designed in fashionable form to obscure its politically sensitive purpose. The nature of that purpose then permits a revision of Philip's role in history particularly in relation to the creation of an independent Burgundian state and the use of a coordinated propaganda campaign of slogan, badge and supporting literature to legitimise and popularise his plans. The analytical approach also offers insights into the significance of decorative material gift giving, the identification of networks, Christine de Pisan's earlier political writings and the origins of the Order of the Golden Fleece. Carol Chattaway is Honorary Research Assistant at the Royal College of Art and University College London University. She researches on the political significance of material objects at the Burgundian Court in the later middle ages.
