(Classic Reprint) Moses Stuart,2015-07-19 Excerpt from Hints on the Interpretation of Prophecy No apology is necessary for engaging in the investigation of the subjects which are briefly treated of in the following sheets These matters are of deep interest to every inquiring Christian and the character of the Scriptures in the view of the world is in no small degree concerned with them Unbelievers reproach us with giving credit to a book which is full of enigmas and allege that every one interprets it according to his own fancy and so as to support his own particular opinions Nor is this all They even charge ambiguity upon the Scriptures themselves and they are apparently moved to do this by the ever varying discrepant and sometimes even opposite conclusions of expositors No book they say which is plainly and honestly written could possibly afford room for such diversity of opinion Particularly have such charges been made against the prophecies These have been compared to the ambiguous vaticinations of the heathen oracles and pronounced to be deserving of merely the same credit which is given to them by enlightened minds About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *HINTS ON THE INTERPRETATION OF PROPHECY* MOSES. UNDERSTANDING THE END TIMES Dr. Simon Rock Njolomah,2012-01-07 This book is to furnish information that can make sense to both the student of Eschatology and the layman Thus while the book is useful to the scholar it is also easily understood by the general seeker of truth Current and unfolding world events are also examined in the light and context of Scripture The book has both a persuasive and combative approach There are no ill feelings towards those teachers and authors with whom this author is at variance in certain areas of the subject **The Interpretation of the Bible**

Christopher Wordsworth,1861

The Interpreting Spirit Hannah R. K. Mather,2020-10-08 The Interpreting Spirit is both a consideration of the Spirit s role in the interpretation of Scripture and a celebration of renewal scholarship It examines those who have focused on the Spirit s role in their hermeneutical considerations recognizing common uniting themes amidst the diversity of scholarly approach and opinion Working on the principle that the Spirit communicates in ways that seek to unify and celebrate the other Mather works diachronically from 1970 identifying and drawing together these common uniting

hallmarks into a collective understanding Pivotal to Mather s argument is her emphasis that we do not just interpret Scripture but that the Spirit through Scripture and working in our lives in ways that lead us towards Scripture interprets us The Interpreting Spirit is the first comprehensive analysis of the conversation surrounding pneumatic interpretation that has been taking place particularly among renewal scholars since 1970 It seeks to answer the notoriously difficult question What does the Spirit do in the process of biblical interpretation
