The Intimate Enemy:

The Intimate Enemy Ashis Nandy, 1988 This book looks at colonialism in its social political and psychological context The author suggests that the fundamental character of colonialism is not so much economic or technological domination but cultural subservience of the indigenous people and the cultural arrogance of the rulers Nandy bases his thesis largely on a study of Gandhi and Kipling in colonial India The book is in two parts The Psychology of Colonialism Sex Age and Ideology and part two The Uncolonized Mind A Post colonial View of India and the West **The Intimate Enemy** Nandy Ashis, 2006

Freeing Yourself from the Narcissist in Your Life Linda Martinez-Lewi, 2008 Combining clinical analysis with psychological profiles of famous narcissists here is an indispensable guide to recognizing coping with and ultimately overcoming the destructive behavior of narcissists Everybody needs some healthy narcissism But in a society obsessed with appearance wealth and status it s easy for problematic narcissists to thrive Many people who seem to have it all are suffering from one of the most common and overlooked personality disorders today high level narcissism Typified by an obsession with perfection a desperate need for admiration and a willingness to use and exploit others for personal gain high level narcissism can spell devastation for anyone who crosses the narcissist s path In *Freeing Yourself from the Narcissist in Your Life* psychotherapist Linda Martinez Lewi presents an in depth and supportive plan for identifying understanding and dealing with high level narcissistic behavior in those close to you Martinez Lewi helps you to liberate yourself from draining personal relationships with narcissists and shows how to regain a sense of peace balance and well being Drawing on detailed profiles of famous narcissists including Pablo Picasso Frank Lloyd Wright Armand Hammer and Ayn Rand as well as expertly rendered case studies from her private practice as a psychotherapist Martinez Lewi shows how to understand where narcissistic behavior comes from u learn to spot narcissistic traits even in the early stages of relationships realize why attempting to change a narcissist is fruitless and protect yourself from the narcissist s opportunism manipulative behavior and lack of empathy **The Intimate Enemy** George R. Bach, 1998 **Good Jew, Bad Jew** Steven Friedman, 2023-11-01 Shows how anti Semitism has been distorted to serve the Israeli state Good Jew Bad Jew is a critique by one of South Africa s foremost political theorists of mainstream understandings of Jewishness Steven Friedman offers a searing analysis of the weaponisation of anti Semitism in service of political objectives that support the Israeli state and global white supremacy Looking specifically at the way in which language is used to shape identities Friedman uses many examples to illustrate how anti Semitism and anti Semites are increasingly defined as anything and anyone that opposes the interests and policies of the Israeli state The use of anti racist language to defend racial domination distorts not only the meaning of what it is to be Jewish but sheds light on how all dogmatic nationalisms function Friedman uses India and South Africa as examples but the

analysis applies across the world too Good Jew Bad Jew does not offer a simplistic binary understanding of Jewishness and the actions of the Israeli state and ideology It is a detailed deeply researched and critical work that will appeal to both specialists and general readers looking for a considered view on how language shapes belief systems and how the powerful forces of racism and nationalism and their opponents are being misrepresented **Misunderstanding Stories** Melinda McGarrah Sharp, 2013-01-24 How can we work toward mutual understanding in our increasingly diverse and interconnected world Pastoral theologian Melinda McGarrah Sharp approaches this multifaceted interdisciplinary question by beginning with moments of intercultural misunderstanding Using misunderstanding stories from her experience working with the Peace Corps in Suriname Dr McGarrah Sharp argues that we must recognize the limits of our own cultural perspectives in order to have meaningful intercultural encounters that are more mutually empowering and hopeful Bringing together resources from pastoral theology ethnography and postcolonial studies she provides a valuable resource for investigating the complexity of providing care and fostering communities of belonging across cultural differences McGarrah Sharp illustrates a process of moving from disconnection to regard for diverse others as neighbors who share a common yearning for hopeful and meaningful connection Leaders in faith communities practitioners of care and scholars will all be able to use this resource to better understand the conflicts tensions and uncertainties of our postcolonial twenty first century world An included discussion guide facilitates classroom study small group discussion and personal reflection
