The Iona community T. Ralph (Thomas Ralph) Morton,1972 The Iona Community Thomas Ralph Morton,1977 The Iona Community has always aroused questions What is it How did it begin and why What is its purpose today In this book Ralph Morton gives his personal impressions of the early years and then goes on to consider its later development and future role Ralk Morton served the Iona Community as Warden of Community House Glasgow 1943 54 and as Deputy Leader 1951 67 *Mission by the People* Alexander C. Forsyth,2017-08-29 How is Christianity to express itself in the public forum within Western nations This book seeks answers through a historical retrieval of the dynamic mission in post war Scotland of Tom Allan and his contemporaries the Iona Community the Gorbals Group Ministry inspired by the East Harlem Protestant Parish and Robert Mackie Ian Fraser and Scottish Churches House Allan s missiology focused upon the apostolate of the laity allowing ordinary people to express their faith in word and deed in a full contextualization of Christianity to seek a missionary parish of constant witness and service The book examines his work in parish ministry nationally as leader of the Tell Scotland Movement and internationally with the WCC and the rich sources and context of his missiology Key questions are asked about tensions caused by the role of the church and the effect of the Billy Graham All Scotland Crusade which Allan instigated on the rapid decline in Christian adherence from the late fifties His work is placed alongside his contemporaries who took bold steps beyond those of Allan to relocate faith to the rhythms of the streets Utilizing present day missiology as a lens their inspiration leads to derivations and principles offered as guideposts for Christian mission now

Iona Norman Shanks,2010-08-10 An outstanding introduction and guide to the spirituality concerns and activities of the Iona Community by a former Leader of the Community What is it that interests so many people in the work of the Iona Community and draws thousands of visitors each year to the tiny island of Iona Apart from its magical beauty and sense of timelessness one reason is to imbibe the spirituality of the Community Norman Shanks shows how the Community in its work on Iona and elsewhere has developed an integrated vision which is rooted in everyday living It is committed to peace making and action on social issues the breaking down of barriers between those of different faiths and styles of faith and the development of new relevant ways to worship For those who want to apply an integrated engaged and inclusive approach to spirituality in their own lives this book is an inspiring and relevant resource **Melodies of a New Monasticism** Craig Gardiner,2018-03-09 The New Monastic Movement is a vibrant source of renewal for the church s life and mission Many involved in this movement have quoted Dietrich Bonhoeffer s conviction that the church must recover ancient spiritual disciplines if it is to effectively engage the powers that be *Melodies of a New Monasticism* adopts a musical metaphor of polyphony the combination of two or more lines of music to articulate the way that these early Christian virtues can be woven together in community Creatively using this imagery this book draws on the theological vision of Bonhoeffer and the contemporary witness of George MacLeod and the Iona Community to explore the interplay between discipleship doctrine
