The Iron Butterfly And Other Stories:

The Iron Butterfly and Other Stories Patrick James Nicholson, 1989 *Iron Butterfly* Ralph Christopher, Chief Jim Davy, 2010-06-08 The true story of an elite group of men who wrote a page in Naval history They patrolled the waterways in thirty one foot river patrol boats powered by Detroit diesel engines with water jet propulsion Armed with machineguns and grenade launchers as well as sheer guts and determination these sailors faced danger around every bend in the river Working together they became one of the finest weapons in Admiral Zumwalt s arsenal for turning back the tide of communist infiltration into Saigon taking control of the inland waterways These are true accounts of their bravery which they proved time and again by spearheading operations into enemy controlled territory United together in brotherhood they accomplished all their missions and won their part of the Vietnam War *Lucia's Eyes and Other Stories* Marina Sonkina, 2011 The resistance of the human spirit in face of time disloyalty and oblivion is the theme of Marina Sonkina s new collection of short stories Her seemingly na ve and helpless protagonists inhabit disparate social stations geographical locales and cultures all are persons displaced in their own lives But in their struggles for survival they discover the redeeming and dangerous power of unconditional love the only weapon available to them Strange and incomprehensible to everyone love makes its sudden appearance to an eight year old hunchbacked boy in the title story of Lucia s Eyes As he brings the gifts of his artistic imagination to Lucia a refugee from the Spanish Civil War the bleak and cruel reality of Stalin s Russia dissolves into magic In Runic Alphabet a Polish Canadian painter plants a tree that brings to life memories of a woman long dead who remains the only true love of his life In Carmelita an aging man from Winnipeg vacationing in Mexico falls in love with a young Mexican painter In Christmas Tango a jobless drifter in snowy Montreal discovers tango inadvertently transforming his own life and the lives of those who come in contact with him In Tractorina a hard working crane operator retired in post Gorbachev Russia is driven into a rose tinted abyss by her stepson In Angels Ascending and Descending a young girl is initiated into the mysterious symbolism of Russian Orthodox church architecture by a priestly man who hardly lives up to the spiritual heights he preaches Full of unexpected turns and twists sadness joy and humour these stories reflect life itself always a surprise and always a miracle *The Truth about Alicia and Other Stories* Ana Consuelo Matiella, 2002-01-01 The truth about Alicia was that she wasn t that stable to begin with So when she did what she did no one was very surprised Still it was shocking the way she followed them from the hardware store to the woman s house the way she broke the sliding glass door with the tire jack the way she found them in bed It was more than she could take her being seven months pregnant and all It only took two shots Alicia is not the only woman with problems In these stories about contemporary and traditional Latinas Ana Consuelo Matiella uses sensitivity and wit to address issues faced by women of color and women everywhere issues largely having to do with love between men and women mothers and daughters women and friends In engaging stories about family myths gossip and lies comadres converse over afternoon caf con leche I m sure

that I was the only wife whose husband was teaching their daughter to do Cheech Marin imitations remarks one of Matiella's characters Another sings the praises of the chocolate milkshake diet That's one advantage of living on the border You get to try all the latest gringo inventions as soon as they hit the streets Through encounters with angels conversations with dogs and relationships with men overly concerned with the dimensions of their manhood Matiella offers a new exploration of the human condition one showing us that if we cannot laugh at life no matter how tragic the circumstances we are surely doomed With humor and insight that come only through close observation of her fellow human beings this gifted writer brings new twists to familiar scenes *The Truth about Alicia and Other Stories* is an authentic portrayal of the world of contemporary Chicanas that will delight everyone who enters it *Iron Butterfly, The Choon-Ok* Jade Harmon, 2011-02-08 Choon Ok Harmon was born soon after the Korean War when South Korea was experiencing extreme poverty This memoir describes the hardships she tried to overcome to achieve a better life She moves to the U S and through patience and perseverance pursues her dream of becoming a martial artist Harmon is now the highest ranking woman in the Korean martial art system of Kuk Sool Won *Curly Hair & Other Stories* Betty Hunley Carlyon, 2022-02-25 In *Curly Hair and Other Stories* Betty Hunley Carlyon reminisces about her Midwestern upbringing her married life and her duties as first lady of a nationally renowned community college in Michigan Throughout the book she shares happy and humorous tales of family friends marriage children and grandchildren Readers will find this to be a beautiful testament to her Lovely in face spirit and heart Mrs Carlyon was a prolific letter writer and a gracious and consummate hostess In this book she fills her stories with laughs insights perspectives understandings information and even some tears the good kind They are heartfelt written with love and gratitude **Morning Child and Other Stories** Gardner Dozois, 2012-11-15 A collection of award winning science fiction written by two time Nebula award winner Gardner Dozois Here you'll find Dozois short stories *Morning Child* and *The Peacemaker* both winners of the Nebula for best science fiction short story Also includes Dozois classics *A Dream at Noonday* *Chains of the Sea* *The Hanging Curve* *The Bride with Jack Dann* and *Ancestral Voices* with Michael Swanwick From the introduction The stories in this collection were published between 1970 and 2003 and thus represent a considerable chunk perhaps a majority share of not only my career but my life when some critic asks me what was in my mind when I came up with a certain trope in one of those stories or what some bit of symbolism really means why I chose some word or image instead of another or sometimes even just what the specific inspiration for a story was often I just can't tell him I'm not that kid anymore So perhaps it's an odd way to review your career by the places where you've lived Probably not very satisfactory to the critics The most disgruntled among them will just have to get that time machine and go back and ask that bright eyed young twenty year old kid about his work If you see him say hi for me Gardner Dozois is known for his beautiful evocation of setting and emotional intensity within a truly alien and often austere vision of the future He is a science fiction master of the first order a fact fully on display in this outstanding collection At the publisher's request this title is sold without DRM Digital
