The Israelis Portrait Of A People

Donald Rhody

The Israelis Portrait Of A People:

The Israelis Frank H. Epp, 1980 **The Israelis** Harry Golden, 1971 **The Israelis; Portrait of a People [by] Harry Golden** Harry Golden, The People's Art Union. The Historic Gallery of Portraits and Paintings, with Brief Memoirs of the Most Celebrated Men of Every Age and Country, Etc , 1835 *The Bride and the Dowry* Avi Raz, 2012-01-01

Israel's victory in the June 1967 Six Day War provided a unique opportunity for resolving the decades old Arab Zionist conflict. Having seized the West Bank, the Gaza Strip, the Sinai Peninsula and the Golan Heights, Israel for the first time in its history had something concrete to offer its Arab neighbors: it could trade land for peace. Yet the political deadlock persisted after the guns fell silent. This book sets out to find out why Avi Raz places Israel's conduct under an uncompromising lens. He meticulously examines the critical two years following the June war and substantially revises our understanding of how and why Israeli-Arab secret contacts came to naught. Mining newly declassified records in Israeli, American, British, and UN archives, as well as private papers of individual participants, Raz dispels the myth of overall Arab intransigence and arrives at new and unexpected conclusions. In short, he concludes that Israel's postwar diplomacy was deliberately ineffective because its leaders preferred land over peace with its neighbors. The book throws a great deal of light not only on the post-1967 period but also on the problems and pitfalls of peacemaking in the Middle East today.

Gospel Portraits K. Rex Butts, 2022-05-17

Many people realize that the cultural landscape of North America has shifted significantly. With such changes, new challenges for how churches live as a proclamation of the gospel have and continue to emerge. These challenges are related to the church's participation in the mission of God and particularly how local churches live faithfully to God while remaining relevant to such challenges. Because Scripture is revered as God's word, this matter also pertains to the way churches read Scripture since the Bible does shape how churches embody the gospel. *Gospel Portraits* addresses the intersection of mission and hermeneutics for churches within their local contexts. Believing the gospel calls the church to follow Jesus and bear witness to the kingdom of God, this book proposes that churches should read the Bible as a Christ-centered and kingdom-oriented narrative. This reading of Scripture allows churches to reimagine how they might embody the gospel within their local contexts. Discerning what a contextual embodiment of the gospel involves, churches portray God's new creation in ways that are coherent with the biblical story and relevant to their local context. In doing so, churches live as Christ-formed and Spirit-led communities portraying the gospel.

Portraits of the Church Donald Rhody, 2011-09

To serve the church is as close as we are able to come on this earth to physically serving Christ himself. The church is the presence of Christ on earth today. I have fallen in love with the church. One of the most misunderstood of God's works is what He means to accomplish through His church. Why is it that God values His church so much? Why is it that He has invested so much in what we often see as an unreliable and self-serving organization? Despite the fact that in the church today we see merely a shadow of the promise of what God intends, we do have a great deal written in the Bible both about the present state of the church and of its future. In *Portraits of*

the Church author Donald Rhody explores the present state of the church and how our misunderstanding of what God is doing often causes us to act in ways that do not harmonize with His plan If we would better understand the Lord s ultimate goal for the church we could better serve Him in this work In so doing we will also better see what God is accomplishing and we will be amazed History of the People of Israel Ernest Renan,1889 **"Moses Wrote About Me": Portraits of Messiah in the Torah** Yosef Rachamim Danieli,2020-08-30 In recent decades there has been a growing movement within the body of Messiah Christ towards a greater understanding of the Hebraic Jewish roots of Christianity Moses Wrote About Me is an integral part of this movement Moses Wrote About Me is the first of five commentary books written by Yosef Rachamim Danieli a native Israeli Jew who has followed Yeshua Jesus of Nazareth for almost 40 years He has traveled and taught the Word of God both Old and New Testaments inside and outside God s Promised Land for many years The author believes that this book series will not only contribute to the body of Messiah s appreciation of the Jewish roots of Christianity but that it is also an integral part of the preparation that all true followers of Messiah should make for the Messiah s Second Coming For more information on Yosef to listen to his teachings sign up to his newsletters and to invite him and his wife Gabriela to share with your people on a diversity of subjects related to Israel and the Word please visit www.touryourroots.com Moses Wrote About Me follows the traditional Jewish readings that are held in every synagogue around the world on Sabbath Saturday The book s emphasis is on the portraits and foreshadowings of the Jewish Messiah in each and every one of these Sabbath readings To accomplish the goal of increasing our understanding of God s masterplan of salvation the author includes comments of the Jewish sages and provides explanations of the meanings of Hebrew words Hebrew names and Hebrew places In addition Moses Wrote About Me addresses many known theological controversies from a unique and out of the box perspective All these things create a rich and stimulating experience in the study of the Word of God The prospective reader is encouraged to approach Moses Wrote About Me with an open mind Set aside your pre conceived ideas and doctrines sit back relax and enjoy this unique perspective and approach to God s Holy Word *Secularizing the Sacred* Alec Mishory,2019-07-22 As historical analyses of Diaspora Jewish visual culture blossom in quantity and sophistication this book analyzes 19th 20th century developments in Jewish Palestine and later the State of Israel In the course of these approximately one hundred years Zionist Israelis developed a visual corpus and artistic lexicon of Jewish Israeli icons as an anchor for the emerging civil religion Bridging internal tensions and even paradoxes artists dynamically adopted responded to and adapted significant Diaspora influences for Jewish Israeli purposes as well as Jewish religious themes for secular goals all in the name of creating a new state with its own paradoxes simultaneously styled on the Enlightenment nation state and Jewish peoplehood

Whispering the Strategies of Language: An Mental Quest through **The Israelis Portrait Of A People**

In a digitally-driven world wherever displays reign supreme and immediate communication drowns out the subtleties of language, the profound techniques and mental subtleties hidden within words frequently move unheard. However, nestled within the pages of **The Israelis Portrait Of A People** a interesting literary prize pulsating with raw thoughts, lies an extraordinary journey waiting to be undertaken. Composed by a talented wordsmith, this wonderful opus encourages viewers on an introspective trip, softly unraveling the veiled truths and profound impact resonating within the material of every word. Within the mental depths with this moving evaluation, we shall embark upon a heartfelt exploration of the book is primary subjects, dissect their captivating publishing model, and succumb to the strong resonance it evokes heavy within the recesses of readers hearts.
