

ÉAMONN Ó CIARDHA

IRELAND AND THE JACOBITE CAUSE, 1685-1766

A fatal attachment

"A grand edifice ... the variety and range of source material is remarkably impressive ...
immensely useful to all who seek to understand the mental worlds
of eighteenth-century Ireland"

PROFESSOR DAVID DICKSON
Irish Economic and Social History

The Jacobite Cause

Pasquale De Marco

The Jacobite Cause:

Jacobitism Murray Pittock, 1998-09-21 The last genuine rebellion on British soil the Jacobite rising of 1745 forms one of the greatest what ifs of British history If Bonnie Prince Charlie's troops had defeated the forces of George II it is fair to say that the entire subsequent course of the country's history would have been dizzyingly changed Jacobitism is a comprehensive study of the Stuart dynasty's attempts to regain the thrones of England Scotland and Ireland in the eighteenth century It provides not only a history of the Jacobite cause and the Risings but also studies of Jacobite culture the financing of Jacobitism the Jacobite diaspora and Jacobitism and nationalism as well as a critical review of the major changes in Jacobite scholarship this century *Myth of the Jacobite Clans* Murray Pittock, 2019-08-07 The second edition of this revolutionary book argues that British history has long sought to caricature Jacobitism rather than to understand it and that the Jacobite Risings drew on extensive Lowland support and had a national quality within Scotland

The Jacobites Daniel Szechi, 1994-05-15 This work provides a pan European survey of the Jacobite phenomenon It examines Jacobitism in all three kingdoms and offers an interpretation of the impact of the Jacobites on the history of Britain and Europe This book also provides a survey of the debates that still surround the subject and acquaints the student with the most recent writing and research Szechi explains what Jacobitism was and what it did He then goes on to examine who the Jacobites were particularly focusing on their socio economic status social networks and religious affiliations He also looks in detail at the ideology of Jacobitism and the rediscovered voice of popular Jacobitism Additionally such areas as the Irish dimension and the Jacobite diaspora are explored This textbook aims to lead students clearly and thoroughly through one of the most complex subjects in 18th century history **The Jacobite Cause** Bruce Lenman, 1992 **The Jacobites** Daniel Szechi, 2019-04-05 The product of forty years of research by one of the foremost historians of Jacobitism this book is a comprehensive revision of Professor Szechi's popular 1994 survey of the Jacobite movement in the British Isles and Europe Like the first edition it is undergraduate friendly providing an enhanced chronology a convenient introduction to the historiography and a narrative of the history of Jacobitism alongside topics specifically designed to engage student interest This includes Jacobitism as a uniting force among the pirates of the Caribbean and as a key element in sustaining Irish peasant resistance to English colonial rule As the only comprehensive introduction to the field the book will be essential reading for all those interested in early modern British and European politics *The Last Jacobite* Pasquale De Marco, 2025-04-14 In the tumultuous 18th century a young man named Charles Edward Stuart known as Bonnie Prince Charlie ignited a rebellion that shook the British Isles to its core The Last Jacobite tells the gripping story of this charismatic leader and his quest to reclaim the throne of his ancestors From his early life in exile to his daring return to Scotland Bonnie Prince Charlie captured the hearts and imaginations of a nation With his charm charisma and unwavering determination he rallied thousands of Highlanders to his cause leading them in a series of daring raids and battles against the British army The

Jacobite Rebellion of 1745-46 was a turning point in British history. It was the last major uprising in support of the Stuart dynasty and its defeat marked the end of the Jacobite cause. But the story of Bonnie Prince Charlie and his followers is more than just a tale of defeat. It is a story of courage, loyalty and sacrifice. *The Last Jacobite* is a richly detailed and meticulously researched account of the Jacobite Rebellion. Drawing on a wealth of primary sources, the author brings to life the key players in this epic struggle from Bonnie Prince Charlie himself to his loyal supporters and the British soldiers who fought to defeat them. This book is a must read for anyone interested in British history, the Jacobite cause or the life of Bonnie Prince Charlie. It is a story of passion, intrigue and betrayal set against the backdrop of a nation divided. *The Last Jacobite* is a powerful reminder of the sacrifices people have made throughout history in the name of what they believe in. It is a story that will stay with you long after you finish reading it. If you like this book, write a review on Google Books.

The Jacobite Risings in Britain, 1689-1746 Bruce Lenman, 1980. Jacobitism, Irish Seacaidh, Scottish Gaelic Seumasachas refers to the political movement in Great Britain and Ireland to restore the Roman Catholic Stuart King James II of England and his heirs to the thrones of England, Scotland and Ireland. The movement took its name from Jacobus, the Latinised form of James, and refers to a long series of Jacobite risings between 1688 and 1746. After James II was deposed in 1688 and replaced by his daughter Mary II ruling jointly with her husband and first cousin James's nephew William III, the Stuarts lived in exile, occasionally attempting to regain the throne. The strongholds of Jacobitism were the Scottish Highlands, Ireland and Northern England. Some support also existed in Wales. Wikipedia.

The Stuart Secret Army Evelyn Lord, 2017-09-19. This book is unique in bringing together all strands of English Jacobism in an accessible chronological framework, highlighting key individuals, providing a biographical dictionary of less well-known English Jacobites, an account of the major primary source material and a gazetteer of places to visit. It will appeal to any member of the general public who is interested in the Stuart cause and the Jacobite rebellions, as well as those who would like to know more about 18th-century society in the great house and the tavern.

Ireland and the Jacobite Cause, 1685-1766 Éamonn Ó Ciardha, 2002. A close study of early eighteenth-century Irish politics, questions both the shipwreck of the Irish Catholic polity and the unassailed march of the Protestant nation. Irish Protestant unease during successive Jacobite invasion scares and the imposition and maintenance of the penal laws show that they did not underestimate the potential of the Irish Jacobite challenge.

BOOK JACKET

Poetry and Jacobite Politics in Eighteenth-Century Britain and Ireland Murray G. H. Pittock, 2006-11-02. The project of this book is to question and rewrite assumptions about the nature of the Augustan era through an exploration of Jacobite ideology. Taking as its starting point the fundamental ambivalence of the Augustan concept, the author studies canonical and non-canonical literature and uncovers a new four-nations literary history of the period defined in terms of struggle for control of the language of authority between Jacobite and Hanoverian writers. This struggle is seen to have crystallized Irish and Scottish opposition to the British state. The Jacobite cause generated powerful popular literature and the sources explored include ballads, broadsides and

writing in Scots Irish Welsh and Gaelic The author concludes that the literary history we inherit is built on the political outcome of the Revolution of 1688

When somebody should go to the book stores, search creation by shop, shelf by shelf, it is in reality problematic. This is why we provide the books compilations in this website. It will definitely ease you to look guide **The Jacobite Cause** as you such as.

By searching the title, publisher, or authors of guide you in fact want, you can discover them rapidly.
