The Jericho :

The Jericho Flower Stephen F. Wilcox, 2002-01-31 Returning for his fourth misadventure small town newspaperman and social gadfly Elias Hackshaw finds himself immersed in a mystery involving a dead con man and a missing gypsy princess with the improbable name of Bimbo Wanka Through no fault of his own well almost none Hack becomes a suspect in the case when the cops mistakenly conclude that he was an acquaintance of the murdered con artist Meanwhile Bimbo's parents turn up on Hack's doorstep demanding he turn over their missing daughter or face a gypsy curse To add to the mayhem a local industrialist is badgering Hackshaw to oversee a major renovation to his monstrosity of a house and Hack's sister Ruth is hectoring him to forget everything else and see to his duties as editor of The Triton Advertiser Trapped by circumstance Hack begins poking into things and soon discovers a circus assortment of off beat characters gypsies in cowboy hats a con man with a conscience a sheriff's investigator without a heart or a brain ham fisted townies and much much more Only a strong survival instinct and his usual portion of dumb luck can save Hackshaw this time around Wilcox spins an entertaining yarn of murder and mayhem With a credible plot and eccentric characters that adroitly avoid being mere caricatures Wilcox offers a semi cozy mystery uncloying clever and far from brutal Publishers Weekly Wilcox is an absolutely first rate writer The Jericho Flower is a well crafted imaginative tale that this reader wished could go on for much longer It's a great read Midwest Book Review The Jericho Flower is a surprising deep amusing and character driven mystery that will keep you on your toes It's a mystery that keeps you hanging until the very end an unlikely hero who will keep you laughing and a full range of characters that opens you up to small town life a most involved and amusing mystery from this very talented author All About Murder **Jericho's Road and Hard Trail to Follow** Elmer Kelton, 2018-01-02 This single volume contains the sixth and seventh books in Spur Award winning author Kelton's acclaimed Texas Rangers series Tall Premium Edition Original *Jericho's Daughters* Paul Iselin Wellman, 2022-08-16 Paul Iselin Wellman's Jericho's Daughters casts a discerning eye on the trials and tribulations of a pioneering family navigating the vicissitudes of frontier life Wellman's vibrant narrative both evocative and richly detailed weaves a tapestry of interpersonal dynamics against the backdrop of expansive American landscapes The work is distinctive for its commitment to historic authenticity and its lyrical prose which resonates within the broader literary context of mid twentieth century Americana Crafted with meticulous care Jericho's Daughters stands as a poignant exploration of human fortitude in the face of adversity and change an enduring theme in Wellman's oeuvre In examining Wellman's oeuvre one discerns a palpable fascination with the American West a testament to his upbringing in the heartland of Kansas and his subsequent career as a journalist and historian Jericho's Daughters emerges as a culmination of Wellman's lifelong passion for the foundational stories of America offering a narrative that is both personal and universally resonant His experiences and observations infuse the work with a sense of credibility and depth enriching the historical tapestry with the nuances of lived reality Jericho's Daughters is recommended for those who cherish American historical

fiction and the exploration of human resilience It will resonate especially with readers who appreciate literary craftsmanship and a deep dive into the cultural and emotional landscapes that define a people and a period Wellman s work invites one to reflect on the broader human experience with each page promising a journey not just through the corridors of history but also through the complex terrain of the human spirit

Abolitionist Voices David Scott,2025-03-19 Why have so many radical thinkers advocated for the abolition of prisons and punishment And why have their ideas been so difficult to popularize or garner the political will for change This book outlines several different approaches to penal abolitionism and showcases their calls for the ending of legal coercion domination and repression This exciting and innovative edited collection shows how abolitionist ideas have continued topicality and relevance in the present day and how they can collectively help with devising new ways of thinking about social problems as well as suggesting alternatives to existing penal policies practices and institutions

Supreme Court of the State of New York Appellate Division Third Department , *Israel and Syria* Anthony H. Cordesman,Aram Nerguizian,Inout C. Popescu,2008-07-30 *Israel and Syria The Military Balance and Prospects of War* provides a detailed and current picture of the military capabilities of Israel and Syria reflecting the changes and lessons of the Israel Hezbollah War in 2006 and other recent conflicts It offers extensive analysis supported by tables and charts on the trends in military spending arms imports and technology transfers military manpower weapons and orders of battle By going beyond military balance analysis Cordesman examines the probable nature and results of a future war and how the readiness capability tactics and technology on each side would shape its outcome *Israel and Syria The Military Balance and Prospects of War* shows how a dangerous new conflict between both nations would cripple all strides in strategic gains and Israeli Syrian diplomacy On the other hand peace negotiations would offer a safer more productive relationship Israel and Syria need to consider the true nature of their military balance and the undermining effect to both nations as well as the costs and risks of any future conflict Although Syria does retain important options in terms of asymmetric and proxy conflicts it would fail in its attempt to recapture the Golan While Israel would almost certainly win a future war it cannot make gains from acquiring more Syrian territory and a new war would create major problems with its neighbors and in dealing with the Palestinians The risk of a new Israeli Syrian conflict is so serious that both sides need to understand the true nature of their military balance and the costs and risks of any future conflict *Israel and Syria The Military Balance and Prospects of War* shows how dangerous a new conflict could be that neither side can make lasting strategic gains from a future conflict and

that peace negotiations offer a far safer and more productive option It provides a detailed and current picture of the military capabilities of Israel and Syria reflecting the changes and lessons of the Israel Hezbollah War in 2006 and other recent conflicts Israel and Syria The Military Balance and Prospects of War provides extensive analysis supported by tables and charts on the trends in military spending arms imports and technology transfers military manpower weapons and orders of battle By going beyond military balance analysis Cordesman examines the probable nature and results of a future war and how the readiness capability tactics and technology on each side would shape its outcome The Legacy of Israel in Judah's Bible Daniel Fleming,2012-07-30 This book offers a new way for biblical scholars and archaeologists to envision how the Bible s story relates to history It presents a fresh case for the urgency and interest of biblical study in historical context embracing the complications of a text collection with the messy history of transmission and uncertain knowledge of the past Focusing on structures of politics and society the analysis is situated in the broad study of antiquity so that ancient Israel may contribute to understanding problems in the classical world and other domains outside the Near East *The Miracles of Jesus the Messiah* E. Keith Howick,2003 The Life of Jesus the Messiah is a five volume set that discusses the life of Jesus Christ topically In volume 1 the miracles performed by Jesus are discussed Their nature is explained and both the historical impact they had on the Jews living at the time of Jesus and their significance to us today is discussed The volume s organization makes it an ideal resource for both students and instructors The volume includes complete scriptural references to the King James Bible footnotes a complete index and a scripture index allowing readers to quickly find relevant commentary **The Human Legacy** Leon Festinger,1983-07-18 For more than a million years man s utter dependence on technology has been producing a host of intricate problems For example we steadily reduce the need for human labor while finding ways to increase life expectancy We mass produce the automobile without grasping the harsh effects it leaves on the environment The Human Legacy concerns the evolution and development of man physically socially psychologically into the latest version of the species we see around us today The author paints an intriguing picture of man living in complex societies and trying to solve the unanticipated consequences of action
