C. S. Lewis and the Christian Worldview Michael L. Peterson, 2020-01-24 C S Lewis is one of the most influential and beloved Christian writers of the past century and interest in him continues to grow as books about his fantasy fiction and biography continue to appear Although Lewis's personal journey was a deeply philosophical search for the most adequate worldview the few extant books about his Christian philosophy focus on specific topics rather

than his overall worldview In this book Michael Peterson develops a comprehensive framework for understanding Lewis s Christian worldview from his arguments from reason morality and desire to his ideas about Incarnation Trinity and Atonement All worldviews address fundamental questions about reality knowledge human nature meaning and so forth Peterson therefore examines Lewis s Christian approach to these same questions in interaction with other worldviews Accenting that the intellectual strength and existential relevance of Lewis s works rest on his philosophical acumen as well as his Christian orthodoxy which he famously called mere Christianity Peterson skillfully shows how Lewis s Christian thought engages a variety of important problems raised by believers and nonbelievers alike the problem of evil and suffering the problem of religious diversity the problem of meaning and others Just as Lewis was gifted in communicating philosophical ideas and arguments in an accessible style Peterson has crafted a major contribution to Lewis scholarship presented in a way that will interest scholars and benefit the general reader

How Not to Kill a Muslim Joshua Graves, 2015-04-13 The adherents of Islam and Christianity comprise half of the world s population or 3.5 billion people Tension between them exists throughout the world and is increasing here in North America In *How Not to Kill a Muslim* Dr Joshua Graves provides a practical subversive theological framework for a strategic posture of peaceful engagement between Christians and Muslims Based upon both academic and personal

experience Josh grew up in Metro Detroit this book will provide progressive Christians with a clear understanding of Jesus radical message of inclusivity and love There is no one who is not a neighbor There is no them There s only us Our future depends upon this becoming true in our cities synagogues churches and mosques In pluralistic societies such as those of Canada and the United States the true test of Christianity is what it offers those who are not Christian And it starts with Islam embed container position relative padding bottom 56 25% height 0 overflow hidden max width 100% embed container iframe embed container object embed container embed position absolute top 0 left 0 width 100% height 100% **Garbling the Gospel** Leo Hebert, III,2005-08 *The Sequence* Steven R.
