Inheritance by Daughters in Israel and the Ancient Near East Zafira Ben-Barak, 2006 **I & II Chronicles** Sara Japhet, 1993-04-15 This volume a part of the Old Testament Library series explores the books of I and II Chronicles The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing *Sit At My Right Hand'* Benjamin D. Giffone, 2016-10-20 Benjamin is portrayed in Chronicles differently from how he is portrayed in the Deuteronomistic History In the latter Benjamin's relation to Judah is shown as varied and complex incorporating both highs and lows The Chronicler by contrast smooths over these difficulties by emphasizing the historically close relationship between the two tribes Benjamin D Giffone sees in this evidence that the Judah Benjamin relationship reflects the socio political situation of late Persian Yehud in which the relatively poor Jerusalem cult struggled to maintain material support from landed nobility in the region Material evidence shows that the historically Benjaminite regions prospered during the Neo Babylonian and early Persian periods The Jerusalem cult competed with cultic locations known for their alliances with either Benjamin or Joseph for the support of wealthier landowners It is within the context of this struggle for support that the Chronicler rewrote Israel's narrative partly to garner Benjaminite support Giffone synthesizes observations that are literary and historical to reveal a literary phenomenon the differing portraits of Benjamin and situate this within the historical context of Persian Yehud In so doing Giffone offers a new understanding of Yehud during this period and elaborates an important motif in these two sections of the Hebrew Bible **Joshua and the Promised Land** Russell M. Stendal, 2019-07 Joshua and the Promised Land is an insightful analysis of the conditions required for God's people to cross the Jordan River enter the Promised Land and win their battles The types and figures from the book of Joshua are key foreshadows of what is required for us to enter into the fullness of our God given inheritance and blessing today **The English Version of the Polyglott Bible, Etc**, 1826 *The Revival Study Bible* William (Winkie) Pratney, Tamara S. Winslow, Steve Hill, 2010-08-12 The Revival Study Bible takes a close look at revivals that draw men to God's work in breathing new life into the Church This unique Bible covers rich Christian history spanning over 2 000 years of God's acts that center around revival missions and evangelism It also gives inspiring accounts of supernatural miraculous and prevailing acts of the Lord Emphasizing passion

and action and not just data this dynamic Bible gives an international flavor drawn from active tested and fruitful ministries involved in ongoing awakening The Holy Bible ,1826
