The Joy Of Sacrifice Secrets Of The Sufi Way:

The Joy of Sacrifice E. J. Gold, 1978 The 1970s classic of spirituality complete with photos and eighteen drawings of spiritual teachers corresponding to the eighteen sacrifices on this path A book which has inspired many since its first publication

The Encyclopedic Sourcebook of New Age Religions James R. Lewis, 2004-08-30 In the late 1980s the New Age movement became the focus of both media attention and widespread ridicule as some of the more outlandish aspects of the movement such as channeling and the use of crystals for healing briefly piqued the public's curiosity While the movement was at its height scholars of religion generally sneered at what was perceived to be a daffy shallow craze and ignored it as a subject of serious study Professor James R Lewis was among the first to examine this growing religious phenomenon scientifically In previous books he has investigated the New Age as the most visible manifestation of a significant spiritual subculture the roots of which reach back to Theosophy Spiritualism and New Thought The present collection pursues this theme bringing together some of the best recent scholarship on new religions Since the height of its popular influence the New Age has declined in strength but has given rise to a plethora of new denominations all shaped by New Age ideas and spirituality Reflecting the emergence of this new denominational structure the core chapters of this book focus on specific groups Other chapters examine the movement's historical roots A unique feature of Dr Lewis's work is his inclusion of extensive selections from New Age literature thus allowing readers to experience firsthand the unusual perspectives of the various groups This is a fascinating examination of a significant and persistent religious and social phenomenon

Self Observation Red Hawk, 2012-07-23 This book is an in depth examination of the much needed process of self study known as self observation We live in an age where the attention function in the brain has been badly damaged by TV and computers up to 90 percent of the public under age 35 suffers from attention deficit disorder This book offers the most direct non pharmaceutical means of healing attention dysfunction The methods presented here are capable of restoring attention to a fully functional and powerful tool for success in life and relationships This is also an age when humanity has lost its connection with conscience When humanity has poisoned the Earth's atmosphere water air and soil when cancer is in epidemic proportions and is mainly an environmental illness the author asks What is the root cause And he boldly answers Failure to develop conscience Selfobservation he asserts is the most ancient scientific and proven means to develop this crucial inner guide to awakening and a moral life This book is for the lay reader both the beginner and the advanced student of self observation No other book on the market examines this practice in such detail There are hundreds of books on self help and meditation but almost none on self study via self observation and none with the depth of analysis wealth of explication and richness of experience which this book offers Red Hawk author of 5 collections of poetry was the Hodder Fellow at Princeton University 1992-93 and is currently a full professor at the University of Arkansas Monticello He has practiced self observation for over 30 years under the guidance of the Gurdjieff Society of Arkansas meditation master Osho

Rajneesh and spiritual teacher Lee Lozowick **Routledge Library Editions: International Islam** Various,2021-03-11
First published between 1913 and 1994 this 6 volume set examines the history of Islam in a variety of regions across the world Spanning continents from Africa to Asia North America and Europe and ranging from 19th century ethnographical studies to modern day historical research these titles not only demonstrate the diversity within this global religion but also how the study of Islam has changed over time The titles in this set will be of interest to those studying the history of Islam as well as those fascinated by the study of religion and international communities itself Self Remembering Red Hawk,2015-05-11 With hundreds of books on the market today urging readers to develop mindfulness pointing to the condition of awakening that most religious philosophical traditions aim toward this new addition by Red Hawk stands head and shoulders above the crowd It offers detailed practical guidelines that allow one to know with certainty not from imagination theory thought or lying when one is Present and Awake it details the objective feedback mechanisms available to everyone for attaining this certainty Am I awake now How do I know Sincere readers will find that help in answering these two questions is invaluable and life changing Written from the perspective of a practitioner of more than thirty years one who has studied the significant work of his predecessors received instruction from two spiritual masters Osho Rajneesh and Mister Lee Lozowick and trained rigorously within daily life This book is the first detailed examination of the Practice of Presence called self remembering in the Gurdjieff tradition The author s aim is to give general guidelines in this practice discuss its implications and then offer specific instruction Self Remembering The Path to Non Judgmental Love is meant to be a companion piece volume ii to the author s previous book Self Observation The Awakening of Conscience which is fast becoming a classic Taken together they present the most detailed examination of the practice available in English He clearly points out that self remembering is only one half of a foundational spiritual practice called self observation self remembering Where other authors teachers have gone wrong in the past is to take only one half of this practice and consider it the whole entire unto itself Mister Gurdjieff s student A R Orage 1873 1934 made this mistake with self observation contemporary teacher Robert Burton made a similar error with his book also titled Self Remembering While P D Ouspensky speaks of the practice of self remembering in his seminal book In Search of the Miraculous and Rodney Collin in The Theory of Celestial Influence there has not been a book length study on self remembering that examines the practice from the many angles that Red Hawk s does His chapters cover such diverse yet integrated topics as The Removal of Self Importance Kaya Sadhana or the wisdom of the body and Separation Grief i e addressing the terror of our current situation without denial or dramatics

Islam in North America Michael A. Köszegi,J. Gordon Melton,2017-01-12 First published in 1992 this book focuses on the Muslim community and how it has developed in North America Divided into eight sections it traces the history of the Muslim community in North America from the nineteenth century to the end of the twentieth century and examines different aspects of the community such as Sectarian Movements Islam in the African American community and points of contact between
