The Jubilee Diary:

The Jubilee Diary David R. Pichaske, 1982 In 1839 Philander Chase the first Episcopal Bishop of Illinois founded Jubilee College Years later a Bradley College professor keeps a journal as he retreats to Jubilee now a state park **Jubilee Diary** Saskatchewan Golden Jubilee Committee, 1954 Diary Spiritual and Earthly of James Johnston James Johnston, 1910

Diary of the Mission James Johnston, 1881 **The Mushroom Diaries** Dominic Lyne, 2009-08-24 When you've opened your mind so often allowed it to journey on the other side of reality's mirror frequently it changes Small things gaps left visible a wafer thin barrier is all that separates the sides Visions living in your head memories pulled up from the past and acted out with clarity past confusions solved painfully in dreams Reality splitting By remembering you reopen old cuts bleed afresh Welcome to madness Based upon journal entries and notes written at the time The Mushroom Diaries catalogue six of the trips the author and his boyfriend experienced as they allowed their mushroom induced visions to lead them through the streets and subways of London The Mushroom Diaries is the story of two people a twisted romance coloured in glorious Technicolor *My Diary, Or A Record of Events and Experiences [in Ootacamund]*. Franz Lemerle, 1891 **A Writer's**

Diary Fyodor Dostoevsky, 2009-03-17 The essential entries from Dostoevsky's complete Diary called his boldest experiment in literary form are now available in this abridged edition it is a uniquely encyclopedic forum of fictional and nonfictional genres A Writer's Diary began as a column in a literary journal but by 1876 Dostoevsky was able to bring it out as a complete monthly publication with himself as an editor publisher and sole contributor suspending work on The Brothers Karamazov to do so The Diary's radical format was matched by the extreme range of its contents In a single frame it incorporated an astonishing variety of material short stories humorous sketches reports on sensational crimes historical predictions portraits of famous people autobiographical pieces and plans for stories some of which were never written while others appeared later in the Diary itself A range of authorial and narrative voices and stances and an elaborate scheme of allusions and cross references preserve and present Dostoevsky's conception of his work as a literary whole Selected from the two volume set this abridged edition of A Writer's Diary appears in a single paperback volume along with a new condensed introduction by editor Gary Saul Morson **A Musician and Teacher in Nineteenth Century New England** Terese Volk

Tuohey, 2015-12-17 There is a need for historical studies in music education that focuses on the common person Historians in general have been doing this for years but music education history has yet to catch up to the field Although there have been many biographies and biographical studies about the more well known music educators little has been done investigating what teaching was like for the average teacher and even less is known about teaching music in the early years of music education in the United States **A Musician and Teacher in Nineteenth Century New England** Irving Emerson 1843 1903 argues that understanding history requires knowledge of the people who lived during the time This book focuses on what Irving Emerson's life was like as a musician and music teacher during this early and critical period of music education During

this time in history the growth of music as a curricular study in the United States from singing schools to classroom singing and note reading paralleled Emerson's teaching career. It was because of the groundwork established by music teachers like Irving Emerson that the music curriculum developed in the twentieth century to include music appreciation, instrumental music ensembles, and marching band along with general music classes and choral music education. This is an invaluable resource to music educators, musicians, and historians alike in understanding the beginnings and formation of what is today music appreciation in the education system.
