The Judgment Throne And The Seven Seals:

The Judgment Throne and the Seven Seals Lindsay,1962-01-01 *THE JUDGEMENT THRONE AND THE SEVEN SEALS* GORDON. LINDSAY,1983 **Israel's watchman (and prophetic expositor) [afterw.] The prophetic news and Israel's watchman, ed. by A. Edersheim. [1st]-7th year** Alfred Edersheim,1880 *The Apocalypse* Joseph A. Seiss, This work affirms the centrality of Jesus and His coming work of retribution and reward as the keys to understanding Revelation

Theophany Vern S. Poythress,2018-02-20 A theologically rich spiritually edifying exploration of all that the Bible says about an awe striking reality Dennis Johnson Each time God appears to his people throughout the Bible in the form of a thunderstorm a man a warrior a chariot etc he comes to a specific person for a specific purpose And each of these temporary appearances called theophanies helps us to better understand who he is anticipating his climactic permanent self revelation in the incarnation of Christ Describing the various accounts of God s visible presence from Genesis to Revelation theologian Vern S Poythress helps us consider more deeply what they reveal about who God is and how he dwells with us today

Revelation for the Rest of Us Scot McKnight,Cody Matchett,2023-02-28 See how the Book of Revelation can be read as a book of discipleship challenging Christ followers everywhere to live as hopeful agents of resistance and transformation The last book of the Bible frustrates and frightens many people with its imagery and apocalyptic tone Popular interpretations rely on fear and politicization and often lead to pride and alienation of others Is this really how we were intended to read John s Revelation In *Revelation for the Rest of Us* Scot McKnight with Cody Matchett explore the key message of Revelation and how it Calls us to be faithful and hopeful witnesses to Jesus Stimulates our imagination to see the world through the eyes of God and excite our faith Challenges us to stand against the militarism economic exploitation oppression and injustice of worldly authorities McKnight addresses the popular misconceptions about the book explaining what John means in his use of the images of dragons lambs and beasts and how the symbolism of Revelation spoke in the days of Rome and still speaks powerfully to the present day though not in the way most people think You ll learn to see the Book of Revelation in a fresh and hopeful new way Drawing from the latest scholarship the authors present an understanding of Revelation for anyone interested in deepening their personal study of the Bible and strengthening their faith as dissident disciples who can discern the presence of Babylon in our world and learn to speak up speak out and walk in the way of the Lamb **The Revelation of Jesus Christ** Alfred J. Chomppff Pastor,2013 This book is about the Lord Jesus Christ and who He really is When we read the Bible we should remember the principle The last revelation carries the greater weight The final revelation of the Lord Jesus Christ to the last living of His disciples the apostle John a short time before the apostle John was also to expire was a final word to His beloved disciple containing the most important things for the life of the Christian church And since the last revelation carries the greater weight we should embrace these last messages of the Lord with great care and believe these words even if they would upset well established doctrines in the churches Only the Lord Jesus Christ is worthy to be praised

and He is the only one who deserves the attention of this book *The Epistle of Jesus to the Church* James D. Quiggle, 2008-01-01 The Epistle of Jesus to the Church is a commentary on the book of Revelation that assumes Jesus was the author and John the reporter of the words and events described Here one will not find an explanation of an anti Roman message written by John in hidden codes and apocalyptic motifs to fool Roman authorities John the apostle and prophet was the faithful scribe who did not create the message but faithfully and accurately described all that he saw and heard This commentary follows the principle that the Scriptures explain themselves because the Revelation is a word from Jesus to his church a word that is grounded in the Scriptures The Epistle of Jesus to the Church has been written with teachers students and pastors in mind The interpretation of the book of Revelation is thorough difficult passages are addressed and plausible answers are provided to the questions posed by in depth study of the biblical book This is a commentary for personal study or classroom instruction one that may be confidently used to preach and teach the Revelation of Jesus to the church *The Christian Observer* ,1846 **The Christian observer [afterw.] The Christian observer and advocate** ,1846
