The Kahuna Way To Create The Future:

The kahuna way to create the future Roberleigh H. Claigh,1998 Hawaiian huna techniques combined with deep breathing exercises visualization and affirmations to achieve the future one desires **Handbook of New Age** James Lewis,Daren Kemp,2007-05-30 The Handbook of New Age is a comprehensive survey of alternative spiritualities their history their global impact their cultural influence and how they are understood by scholars Chapters by many of the leading scholars of the movement give the latest analysis of contemporary spiritual trends and present up to date observations of the interaction between the New Age movement and many different fields of knowledge and research **A Spiritual Hypothesis** Daniel Punzak,2017-04-06 Traditional Western religion explains that each human has a spiritual aspect called a soul However several passages in the Bible allude to humans having a soul and a spirit Dan has explored this idea and found numerous modern psychological findings that support this notion Shamanism and some Eastern religious concepts also support this idea Diverse concepts such as creativity and mental illness can be explained by the idea that two spiritual forms are in each human Transform Your World Through the Powers of Your Mind Jawara D. King,2009-06 Jawara D King is back with another classic and has written the greatest self help book of all time with TRANSFORM YOUR WORLD THROUGH THE POWERS OF YOUR MIND which is a classic and spiritual masterpiece leading the world into manifested mind power This transformational life changing manual full of life changing principles will help you make the proper mental adjustments needed to experience the full manifestation of thought power A trained and directed mind disciplined to think the right thoughts will help you manifest the life you want through the power and possibility of faith Learn how to not limit yourself in your thinking and allow the energy of thought to create the circumstances you desire The only limits are our beliefs which make the possible impossible while everything is possible including the impossible using mind over matter to overcome impossibilities Through persistence will and daily commitment you will be able to change or manifest anything within the realm of the possible through applied action The beliefs you hold within are always repelling or attracting success and your thoughts and spoken words will manifest Building on the success of his first book WORLD TRANSFORMATION Dr Jawara D King returns with a spectacular effort full of techniques that will make dramatic positive changes for you if practiced and help you see and imagine yourself being what you affirm to be A decision backed by action is the root of all change along with a change in your thinking You have to believe it before you see it Images of what you want in your mind begin the creative process You attract situations that match the images of your daily thoughts and what you mostly focus upon Through mind power your new life will reflect your new thoughts and habits **Huna, a Secret Science At Work - The Huna Method As a Way of Life** Max Freedom Long,2015-01-09 The word kanuna is an ancient term and is in use today It is pronounced kah hoo nah and meant keeper of the secret The word for their secret lore was never found The role of secrecy had been so strong and so well kept that it may never have been given a name The name we used for this reason was Huna

pronounced hoo nah which means secret Enough basic information will be incorporated in this book to give a working picture of the system of beliefs and practices upon which experimental work has been based Interspersed with the instructions will be found explanations of the sources of conclusions of symbols words and word roots familiar to Huna but which we also found in other religions mainly Christianity These will tend to show that the meanings ascribed to Huna are well founded Huna is compatible with other systems It interferes with none of them but makes possible a greater understanding of the old truths From the Introduction Get Your Copy Today

The Teachings of Huna Max Freedom Long, 2023-11-21 In The Teachings of Huna Max Freedom Long presents an in depth exploration of the ancient Hawaiian philosophy known as Huna which emphasizes the interconnectedness of the mind body and spirit Through a blend of historical context personal anecdotes and practical teachings Long elucidates the principles of Huna including the significance of the unconscious mind and the power of direct experience His writing melds a scholarly approach with an accessible style making complex concepts understandable for a modern audience while also grounding them in rich cultural heritage and spiritual practice that had largely been overlooked in Western literature Max Freedom Long an American author and anthropologist devoted much of his life to the study of Hawaiian culture and its spiritual practices He was deeply influenced by his experiences and interactions with native Hawaiians which inspired him to synthesize traditional beliefs with broader psychological concepts Long s commitment to understanding the truth behind Huna positioned him as a pivotal figure in introducing these teachings to a Western audience embodying the fusion of indigenous wisdom with contemporary thought This book is essential reading for anyone interested in spirituality self improvement or cultural anthropology Long s insights offer readers practical tools for personal growth and a pathway to reconnect with deeper aspects of their being Whether you are a novice exploring Eastern philosophies or a seasoned practitioner The Teachings of Huna provides profound wisdom that is both enlightening and transformative
