Otto,2020-05-19 *The Seafarer's Mind* is a wonderful resource for seafarers The book is rich in narrative and case studies and covers a wide range of issues and challenges facing sailors on the high seas A hard hitting account which unpacks the realities of a modern version of indentured labour the author provides hope in the often harsh world of seafaring This is a practical guide to living in isolating and confined situations where temptations abound and moral compasses are often abandoned Martin Otto is the world's leader in serving seafarers through his international mission work He is to be commended for being God's advocate in such an insightful humble and practical manner This book will become a widely read text and is sure to become a key reference for all seafarers seeking to live a Godly life in an often harsh and unforgiving environment I recommend it wholeheartedly Professor Ross Dowling AM Global Cruise Ship Lecturer Perth Australia
