Grainger, 2012-03-19 An extraordinary account of the wars conducted by and against the Maccabean family of rulers in Palestine in the second and first centuries BC Midwest Book Review By the early second century BC Israel had long been under the rule of the Hellenistic Seleucid Empire But the policy of deliberate Hellenization and suppression of Jewish religious practices by Antiochus IV sparked a revolt in 167 BC which was led initially by Judah Maccabee and later by his brothers and their descendants Relying on guerrilla tactics the growing insurrection repeatedly took on the sophisticated might of the Seleucid army with mixed but generally successful results establishing the Maccabees as the Hasmonean Dynasty of rulers over a once more independent Israel It is Judah Maccabee's ritual cleansing of the Temple after his victories over the Seleucids that is celebrated by Jews every year at Hannukah Internal disputes weakened the revived state however and it eventually fell victim to the Romans who replaced the Seleucids as the local superpower John D Grainger explains the causes of the revolt and traces the course of the various campaigns of the Maccabees first against the Seleucids and then the Romans who captured Jerusalem in 63BC and partitioned the kingdom The last chapters consider the continued Jewish resistance to Roman rule and factional fighting until the crowning of Herod marked the end of the Hasmonean dynasty By writing this book John Grainger took on an almost impossible challenge This is to summarize 130 years of wars

and political conflicts between the Jews themselves and between the Jews and all their neighbours from BC 167 to BC 37 within a single volume Israel Book Review
