Plot summary

The narrative of *The Macdermots of Ballycloran* chronicles the tragic demise of a small Catholic landowning family in the Protestant-dominated Ireland of the mid-nineteenth century. It focuses on the struggle of Thady Macdermot to keep his sinking property afloat. Thady lives with his father Larry Macdermot in a dilapidated mansion in Co. Leitrim, which is mortgaged to their enemy, the vulgar builder Joe Flannelly. They cannot keep up the payments on the mortgage. Enmity between the Macdermot and Flannelly families is sharpened by Thady's having declined to marry Joe's daughter Sally. Larry Macdermot's daughter Feemy, christened Euphemia, is seduced by the English police officer Captain Myles Ussher, who is hated by the local Catholic majority for his brutal enforcement of the excise laws against poteen distilling. One night Thady comes home to find Ussher abducting Feemy and kills him in the ensuing struggle. Despite the mitigating circumstances, the Protestant-dominated courts find Thady guilty of murder in the context of a panic about crime and possibly anti-British terrorism. Thady is hanged, his father Larry goes mad, Feemy dies bearing Ussher's bastard, and the Ballycloran house is finally vacated.

Biography

Thomas Anthony Trollope: Anthony's father was a barrister. Though a clever and well-educated man and a Fellow of New College, Oxford, he failed at the Bar due to his bad temper. In addition, his ventures into farming proved unprofitable, and he lost an expected inheritance when an elderly childless uncle remarried and had children. Thomas Trollope was the son of Rev. Thomas Anthony Trollope, rector of Cottered, Hertfordshire; himself the sixth son of Sir Thomas Trollope, 4th Baronet. The baronetcy later came to descendants of Anthony Trollope's second son, Frederick. As a son of landed gentry, Thomas Trollope wanted his sons to be raised as gentlemen and to attend Oxford or Cambridge. Anthony Trollope suffered much misery in his boyhood owing to the disparity between the privileged background of his parents and their comparatively small means. Born in London, Anthony attended Harrow School as a free day pupil for three years from the age of seven, because his father's farm, acquired for that reason, lay in that neighbourhood. After a spell at a private school at Sunbury, he followed his father and two older brothers to Winchester College, where he remained for three

The Macdermots of Ballycloran Anthony Trollope, 2018-08-13 *The Macdermots of Ballycloran* large print by Anthony Trollope. The tragic episode of the betrayal of poor Feemy Macdermot together with the vengeance of her brother on the villain adds a note of poignant pathos to the story. Altogether it may be said that *The Macdermots of Ballycloran* fully justifies its Irish locale and its title while its alternate humour and pathos more than compensate for the lack of technique in the writing. It is really quite a good story. Algar Thorold 1906. We are delighted to publish this classic book as part of our extensive Classic Library collection.
