A Companion to Scottish Literature offers fresh readings of major authors and periods of Scottish literary production from the first millennium to the present. Bringing together contributions by many of the world's leading experts in the field, this comprehensive resource provides the historical background of Scottish literature, highlights new critical approaches, and explores wider cultural and institutional contexts. Dealing with texts in the languages of Scots, English, and Gaelic, the Companion offers modern perspectives on the historical milieu, thematic contexts, and canonical writers of Scottish literature. Original essays apply the most up-to-date critical and scholarly analyses to a uniquely wide range of topics, such as Gaelic literature, national and diasporic writing, children's literature, Scottish drama and theatre, gender and sexuality, and women's writing. Critical readings examine William Dunbar, Robert Burns, Walter Scott, Robert Louis Stevenson, Muriel Spark, and Carol Ann Duffy, amongst others. With full references and guidance for further reading, as well as numerous links to online resources, A Companion to Scottish Literature is essential reading for advanced students and scholars of Scottish literature, as well as academic and non-academic readers with an interest in the subject.

**Companion to Scottish Literature** Trevor Royle, 1983      **Scottish Literature Since 1707** Marshall Walker, 2017-07-12

Marshall Walker's lively and readable account of the highs and lows of Scottish literature from this important date to the present addresses the important themes of democracy, power, and nationhood. Disposing of stereotypical ideas about Scotland and the Scots, this fresh approach to Scottish literature provides a critical interpretation of its distinctive style and presents the reader with an informative introduction to Scottish culture. Coverage includes the Scottish Enlightenment and the world of Boswell and David Hume to the Scottish Renaissance associated with Hugh MacDiarmid. Developments in the contemporary literary scene include John McGrath's theatre company and the fiction and poetry of Alastair Gray and Ian Crichton Smith. Particular attention is given to the work of Scottish women writers such as Lady Grizel Baillie and Liz Lochhead, who have been much neglected in previous literature.

*Legacies of Ewan MacColl* Professor Allan F. Moore, Dr Giovanni Vacca, 2014-11-28

This book contributes significantly to the debate surrounding the importance of Ewan MacColl to the English folk revival. MacColl gave two extended interviews with co-editor Giovanni Vacca in 1987 and 1988, and these provide the impetus for a re-examination of his methods, his politics, and his aesthetic aims. Great emphasis is placed on the importance of seeing MacColl as not only a British but a European folk activist through discussion of his hitherto barely known work in Italy, enabling a re-contextualization of his work within a broader European context. Peggy Seeger contributes a Foreword to the collection.
