The Magic Island William Seabrook, 1929 Adventures and emotional experiences of an American author in Haiti The Magic Island William Seabrook, 1929 Adventures and emotional experiences of an American author in Haiti **The Magic Island** William B. Seabrook, 1931 *The Magic Island* W. B. Seabrook, 1989-01 **The Secrets of the Magic Island** Алєн Белєн, 2024-12-04 The Secrets of the Magic Island is a story about a group of children who discover a mysterious island hidden from the world The island is filled with amazing creatures magical plants and unusual phenomena Each of them faces various challenges that help them uncover their inner strengths and learn to work as a team On the island they find an old map that leads to an ancient treasure but on their way to it they must solve riddles overcome obstacles and encounter magical beings that guard the secrets of the island Throughout their adventures the children learn about friendship bravery mutual support and the importance of preserving nature **The Adventures of Magic Island - Book One** Ariana Eleni Varveris, 2012-06-22 Hailey and her younger sister Alex awaken washed up on the shore of a strange and mysterious island They soon discover they have been chosen to be the islands next Rulers The only problem is they first have to compete a series of Quests each more perilous and difficult than the last Travel with the sisters as they fulfill these Quests encountering magical creatures and experiencing unforeseen adventure along the way **Journey to the Magic Island** Roathy Touch, 2019-10-23 This is some part extract from the story Journey to the Magic Island Whatever I said she didn't listen but rowing into the storm Ten minutes later a thin trickle of blood ran down from a cut in her hand She didn't look at it she just kept rowing Now her blood flew like a brook from her hands and it went all the way down to the bowl of the boat creating a small pond of blood the blood that drummed my heart so hard I couldn't stand to watch her do this crazy thing anymore Do you see the island you are looking for I asked her in a very loud voice across the electrical charge in the funnel of the storm Yes we are very close to it she happily said as if the storm was a kind of her transportation When we were about to meet the funnel of the storm the wind turned wild tried to lift us up but the water at the bottom seemed to suck us down into the bottom of the sea Then the bow of the boat fell into the funnel and it spun around the cone in funnel form One moment later the boat was snapped and we all kick out into the sea I woke up and felt the gentle sound of waves lapping the sand near my ears I opened my eyes and promptly shifted away from the scorching sun I staggered up to the beach and sank myself down under a tall tree and looked back into the sea Three small blurred islands appeared in front of me I slowly closed and opened my eyes for several times before I could see the perfect view of those islands beautiful like paradise I unhurriedly gazed to the left and saw lines of tall trees closely grown to one another And at the far end of the island in which I was sitting on emerged another small island out in the sea I turned to the right and everything was the same thick forest tall trees and another small island out in the sea As I noticed from left to right for a couple of times I noticed that the big island in which I was sitting on was half circled by the five small islands So in total there were six islands five small islands and one big island

I was sitting on The island itself was remarkably old and it was left here alone in the middle of nowhere for nature to concur and for trees in all sizes and shapes to grow freely on the land The terrible storm had brought me here on this paradise island
