## **The Mahabharata Peter Brooks Epic In The Making:**

The Mahabharata Garry O'Connor, 1989      Gewalt im Drama und auf der Bühne Hans-Jürgen Diller, Uwe-Karsten Ketelsen, Hans Ulrich Seeber, 1998      **Peter Brook and the Mahabharata** David Williams, 2022-09-01 First published in 1991 Peter Brook and the Mahabharata is a collection of essays which contextualizes the production of Peter Brook's The Mahabharata. Written by both scholars and collaborators on Brook's production, these essays seek not only to discuss such issues as the politics of theatre, interculturalism, but to describe the nature of the working process and detail the technical problems engendered by touring a production of this size and complexity. Furnished with a new preface by the editor, the book continues to be crucial research work devoted to unravelling the mesmerising as well as the polarising enigma known as Peter Brook's The Mahabharata. Thoroughly heterogeneous and controversially irreverent, this book will be of interest to students of theatre, performance art, literature, South Asian studies and media studies.      **Mahabharata**, 2015-03-30 Within its 200,000 verse lines in Sanskrit the Mahabharata takes on many roles: epic poem, foundational text of Hinduism and more broadly the engaging story of a dynastic struggle and the passing of an age when man and gods intermingled. David R Slavitt's sparkling new edition condenses the epic for the general reader. At its core the Mahabharata is the story of the rivalry between the Pandavas and the Kauravas, two related noble families who are struggling for control of a kingdom in ancient northern India. Slavitt's readable plot-driven single volume account describes an arc from the conception and birth of Bhishma to that hero's death, while also introducing the four goals of life at the center of Hinduism: dharma, righteousness, morality, duty, artha, purpose, kama, pleasure and moksha, spiritual liberation. The Mahabharata is engaging, thrilling, funny, charming and finally awesome, with a range in timbre from the impish naivete of fairy tales to the solemnity of our greatest epics, and this single volume edition is the best introduction available.      **Peter Brook** Michael Kustow, 2025-09-23 Peter Brook is one of the world's legendary theater directors. His productions are a byword for imagination, energy and innovation. From his ground-breaking production of Marat Sade to his white box A Midsummer Night's Dream to his monumental staging of The Mahabharata, and beyond, Brook has always been the pioneer of what a director and a company of actors can conjure out of an empty stage. In this first authoritative biography arising out of an association and friendship with Brook over forty years, Michael Kustow tells the fascinating and revealing story of a man whose life has been a never-ending quest. Born into a Russian migr family in London, Brook has been fascinated by theater and film since childhood. He studied at Oxford where he made a film of Laurence Sterne's A Sentimental Journey and was almost sent down during his turbulent undergraduate years. As a brilliant young man influenced by the theatrical visionary Gordon Craig, he turned his hand to Shakespeare, opera, new French drama and mainstream comedy. Following Craig's philosophy, Brook began to search for a simplicity, harmony and beauty that would incorporate all aspects of the stage production under the control of one person. He also began the lifelong search for authenticity on the stage, a search that led him around the world from London to New York to his legendary Thre

des Bouffes du Nord in Paris to Broadway and the Brooklyn Academy of Music It was in Paris in the 1970s that he attempted to discover a universal language of theater with an international group of actors This collaboration resulted in a series of visually spectacular and innovative shows including *The Ik* *The Conference of the Birds* and *The Mahabharata* In his long and influential career he worked with some of the world's greatest actors and writers including Glenda Jackson Paul Scofield John Gielgud Laurence Olivier Irene Worth Jeanne Moreau Peter Weiss and Truman Capote His films such as *Lord of the Flies* *Moderato Cantabile* *King Lear* with Paul Scofield *The Beggar's Opera* and the film of *Marat Sade* moved the camera and the screen to borders they had not reached before His book *The Empty Space* continues to be one of the classic works on theater and drama in the Western canon and his memoir *Threads of Time* gave us a glimpse into his personal development In this biography based on extensive interviews with Peter Brook and many of the actors writers producers and directors he worked with throughout his life Michael Kustow goes to the heart of Brook's theater his self-searching and his unceasing desire to produce work that redefines theater and life
