The Making Of Our America:

The Making of Our America Educational Research Council of America. Social Science Staff,1974-01-01 The history of the United States emphasizing social and economic changes from the discovery of the American continent to the end of the nineteenth century The Politics of the Textbook Michael Apple,Linda Christian-Smith,2017-09-08 The Politics of the Textbook analyzes the factors that shape production distribution and reception of school texts through original essays which emphasize the double edged quality of textbooks Textbooks are viewed as systems of moral regulation in the struggle of powerful groups to build political and cultural accord They are also regarded as the site of popular resistance around disclosing the interest underlying schoolknowledge and incorporating alternative traditions **The Making of America** Robert Marion La Follette,William Matthews Handy,1905 Our America: A Hispanic History of the United States Felipe Fernández-Armesto,2014-01-20 A rich and moving chronicle for our very present Julio Ortega New York Times Book Review The United States is still typically conceived of as an offshoot of England with our history unfolding east to west beginning with the first English settlers in Jamestown This view overlooks the significance of America s Hispanic past With the profile of the United States increasingly Hispanic the importance of recovering the Hispanic dimension to our national story has never been greater This absorbing narrative begins with the explorers and conquistadores who planted Spain s first colonies in Puerto Rico Florida and the Southwest Missionaries and rancheros carry Spain s expansive impulse into the late eighteenth century settling California mapping the American interior to the Rockies and charting the Pacific coast During the nineteenth century Anglo America expands west under the banner of Manifest Destiny and consolidates control through war with Mexico In the Hispanic resurgence that follows it is the peoples of Latin America who overspread the continent from the Hispanic heartland in the West to major cities such as Chicago Miami New York and Boston The United States clearly has a Hispanic present and future And here is its Hispanic past presented with characteristic insight and wit by one of our greatest historians **Address of the President of the United States Delivered on the Unveiling of Statue of Alexander Hamilton, May 17, 1923** United States. President (1921-1923 : Harding),1923 Hollywood Abroad Melvyn Stokes,Richard Maltby,2019-07-25 Hollywood Abroad is the first book to examine the reception of Hollywood movies by non American audiences Although numerous books on film history have analyzed the ways in which American films came to dominate world markets there has so far been very little published work on how audiences outside the United States have responded to Hollywood produced films Hollywood Abroad explores the reception of U S films in Britain France Belgium Turkey Australia India Japan and Central Africa The book covers topics from the first major penetration of American films into France Britain and Australia to the impact of such films as The Best Years of Our Lives to the response of Belgian young people in the age of the multiplex It demonstrates that the story of the reception of American films overseas is less one of domination than of a complex adoption of Hollywood into various cultures **Supplement to the Messages and Papers of**
