The Making Of The Misfits:

Post-Westerns Neil Campbell, 2020-04-01 During the post World War II period the Western like America's other great film genres appeared to collapse as a result of revisionism and the emergence of new forms. Perhaps however as theorists like Gilles Deleuze suggest it remains simply maintaining its empty frame. Yet this frame is far from empty as *Post Westerns* shows us rather than collapse the Western instead found a new form through which to scrutinize and question the very assumptions on which the genre was based. Employing the ideas of critics such as Deleuze, Jacques Derrida and Jacques Rancière, Neil Campbell examines the haunted inheritance of the Western in contemporary U.S. culture. His book reveals how close examination of certain postwar films including *Bad Day at Black Rock*, *The Misfits*, *Lone Star*, *Easy Rider*, *Gas Food Lodging*, *Down in the Valley* and *No Country for Old Men* reconfigures our notions of region and nation, the Western and indeed the West itself. Campbell suggests that post Westerns are in fact ghost Westerns haunted by the earlier form's devices and styles in ways that at once acknowledge and call into question the West both as such and in its persistent ideological framing of the national identity and values.

Communists, Cowboys, and Queers David Savran, 1992 *The Genius and the Goddess* Jeffrey Meyers, 2012-01-19 The 1956 wedding of Marilyn Monroe and Arthur Miller surprised the world. *The Genius and the Goddess* presents an intimate portrait of the prelude to and ultimate tragedy of their short marriage. Distinguished biographer Jeffrey Meyers skillfully explores why they married, what sustained them for five years and what ultimately destroyed their marriage and her life. The greatest American playwright of the twentieth century and the most popular American actress both complemented and wounded one another. Marilyn craved attention and success but became dependent on drugs, alcohol and sexual adventures. Miller experienced creative agony with her. Their marriage coincided with the creative peak of her career yet private and public conflict caused both of them great anguish. Meyers has crafted a richly nuanced dual biography based on his quarter century friendship with Miller, interviews with major players of stage and screen during the postwar Hollywood era and extensive archival research. He describes their secret courtship. He also reveals new information about the effect of the HUAC anti-Communist witch hunts on Miller and his friendship with Elia Kazan. The fascinating cast of characters includes Marilyn's co-stars Sir Laurence Olivier, Yves Montand, Montgomery Clift and Clark Gable, her leading directors John Huston, Billy Wilder and George Cukor, and her literary friends Dame Edith Sitwell, Isak Dinesen, Saul Bellow and Vladimir Nabokov. Meyers offers the most in-depth account of the making and meaning of *The Misfits*. Written by Miller for Monroe, this now classic film was a personal disaster. But Marilyn remained Miller's tragic muse and her character exalted and tormented lived on for the next forty years in his work.

The Temptation of Innocence in the Dramas of Arthur Miller Terry Otten, 2002 *The Making of the Great Westerns* William R.
