Stranger Than

Fantasy George J. Mauro,2009-03 Fantasy is a phenomenon that affects all of us more than we consciously recognize Are we not constantly daydreaming or dreaming of the future pondering our wishes and desires Or do too many people accept things as they are readily to concede all appearances as gospel Stranger Than Fantasy is a collection of forty fantasy short stories Each story should be taken for what it is for the most part an entertaining excursion of fiction that challenges one s thoughts one s acceptance of reality Hopefully after reading my stories the readers will look at their lives their life situations a little differently and finally stand up and exclaim That which is is not and that which is not is And if that happens then I think the world will be a little bit better off today than it was yesterday George Mauro
