

The man up front is your man

The most important responsibility of the man who captains your United Mainliner® is you.

And with this responsibility goes complete authority, for your United Air Lines Captain is a highly qualified, professional flight executive.

In planning your flight, he is assisted by scores of technical experts, computers, and the scientific resources of our own weather center, the largest in the industry. He is at liberty to select the smoothest approved airway around rough-weather areas. If, in his opinion, your flight should not take off, his decision is final.

And all during your flight, you can be sure that your Captain is United Air Lines' chief executive as far as your welfare is concerned.

Assisted by the members of his crew—who are highly qualified professionals, also—he will make every effort to get you there on schedule, but only after your comfort and safety have been given first consideration.

This genuine concern for you as an individual, combined with skill and experience, makes him truly "your man up front."

And this is typical of what we expect from everyone who works with United... the ability to do a job well... plus the attitude of extra care—for people—that guides everything we do.

With the great human responsibilities that are involved, there can be no better basis for running—or choosing—an airline.

THE EXTRA CARE AIRLINE

A deceitful American father and a naive decision by a Filipino mother transformed their lives forever. Valorie, Veronica, Vance and Vincent's perfect world turned into a nightmare one hot afternoon in 1959 in Cebu, Philippines. What was to be a quick lunch with their father turned into a flight to America where four dreadfully long years of running from state to state, hiding and vanishing into the night followed. Kidnapped from the only world they knew, confusion quickly set in. At nine, Valorie the eldest liked seeing their father after his absence for over a year. Vance, a timid six year old, went along with whatever Valorie did. Vincent, the baby at three, cried for his mother while clinging to Veronica for comfort.
