in the 1970s Humble unassuming and unfazed by the presence of celebrities Wood has spent his life devoted to building and repairing stringed instruments Wood also built community After tiring of big city Nashville he retreated to the Georgia coast where his home shop became a hub of bluegrass activity He eventually opened a new shop near Savannah where a new generation of friends and strangers can come in visit and pick a little Randy s stories complemented with those of his friends and family create a compelling picture of a modest man with a talent for his craft a genuine care for people and the courage to follow his passion
