B. Quisenberry,1993 The Public good , **Broken Face In The Mirror (Crooks and Fallen Stars That Look Very Much Like Us)** , Jesus Deorthodoxed Stephen Clopton,2023-06-12 Having grown up in church there was always something about the gospel that didn t quite click for me I am sure most can relate to the narrative of good vs evil heaven vs hell or even God vs the devil and this is true the thing about truth is that it has many facets I always felt like there is more in the bible that isn t being talked about Most can relate to a scripture jumping off of the page and becoming real to you because it was heard in a way that it hasn t been heard before This book is an embodiment of that experience I live in a suburb of Tulsa and in 2001 I was in a car accident that put me in a coma for 6 weeks I then was in wheel chair and rehab for about 3 months learning how to walk again and everything that comes with being autonomous This is where the scriptures I had heard and read my whole life were starting be understood from a place of completion The Bible was like a new book because I started to understand that I wasn t trying to follow it s directions to get God to do something that hasn t been done He has already done everything and I am trying to keep myself in a position to receive what has always been available This book will not change Jesus and His death burial and resurrection from being the main thing It will solidify the fact that Gentiles have never been under the Law of Moses and they are the only ones that can accuse themselves The only thing we need to be concerned with is Jesus being a new High Priest and keeping His one commandment **Sins, Stones & Glass Houses** G. J. Herrey,2005-01-01 This novel begins in a city in Florida where Zachary Naccarato a decorated veteran has just been awarded honors for catching a serial murderer Shortly thereafter Sergeant Naccarato finds himself involved in a high stakes game of corruption conspiracy and murder He is lured into the game of a madman baited by his only true seduction his quest for the truth After a series of ritualistic murders are blamed on Naccarato he is forced to resign from his career with the possibility of his arrest looming ever near His life in disarray Zach sets out to clear his name Slowly from the peripheral corners of each turned page the killer emerges for an ultimate showdown Conspiracy betrayal corruption and the ultimate sin homicide are interwoven within the plot Manifesting Peace James S. Pen's On Fire Clifton Perry,2025-01-02 Soon after my incarceration at San Quentin prison for a capital offense I was diagnosed as suffering from bipolar and borderline personality disorder Later I was also diagnosed with multiple personality disorder After being told this news instead of rejecting this analysis I decided to embrace my mental illness and do all I could to become aware of how important mental wellness is for me and for others too This decision resulted in my confronting many of my past behaviors One day while doing some writing exercises in prison I began to notice some of the works I had written and I thought to myself Cliff man your pen is on fire like it has flames shooting off the paper It was at this moment that I decided not to shy away from my mental illness but embrace it in a creative direction and I started collecting my poems for possible publication Looking over the wide range of poetry I chose to title my work Pens on Fire The Multiple Personalities of a Poet Realizing that society often views mental illness as a stigma I began to believe that I could use my experiences to help others like me Through my poetry I could reach out to those who are or will be identified as mentally ill I now spent half of my twenty eight year on death row at San Quentin in the prison s mental health program and have learned so much about my well being I want people who are hurting those who have been labeled different or anyone who needs encouragement to seek help By the grace of God I trust these poems will bring you healing comfort and inspiration
