## **Sister Margarita:**

**The Fourteen Sisters of Emilio Montez O'Brien** Oscar Hijuelos, 2024-07-16 With soaring matchless prose a Pulitzer Prize winner pens a New York Times bestselling saga of the Montez O'Briens a rambunctious family of Irish Cuban immigrants comprised of fourteen daughters and one doggedly masculine son Publishers Weekly Irish American Nelson O'Brien fell passionately in love with the poetess Mariela Montez while photographing the ravages of battle in Mariela's native Cuba during the Spanish American War After marrying they moved to the United States to start a new life settling in a small Pennsylvania town where Nelson took over the Jewel Box Movie Theater Together they had a remarkable fifteen children fourteen daughters and one lone son In Oscar Hijuelos's *The Fourteen Sisters of Emilio Montez O'Brien* the lives loves and tragedies of this sprawling Irish Cuban family unfold Over the course of a century each member moves in and out of each other's lives traversing Cuba New York California Alaska and Ireland while Margarita the Montez O'Brien's eldest daughter ruminates on the nature of femininity sex love and earthly happiness And as Margarita learns and grows in an overwhelmingly female environment she can't help but contrast her experiences with those of Emilio her intensely masculine brother whose B movie career in the 1950s has left him adrift and frustrated with little hope of success Lush and gorgeously written *The Fourteen Sisters of Emilio Montez O'Brien* is a masterwork by one of America's greatest writers Reckoning with cultural assimilation and complex family dynamics the novel elicits tears and laughter while tenderly revealing the bounteous heart and exhilarating adventures of a warm passionate family Includes a Reading Group Guide      **Young, Female and Black** Heidi Safia Mirza, 2005-07-12 First serious study of young black women Author taught Afro American Studies at Brown University USA 1988-9      **In the Face of Darkness** Timothy Marie Kennedy, O.C.D., 2019-02-05 In 1927 during the murderous anti Catholic reign of Mexican president Plutarco Elias Calles Mother Luisita and two members of her Carmelite community cast off their religious habits donned secular clothes and started out on a perilous flight from the brutal atheistic government intent on killing them      **The Last Plague** Glen E. in recent years Educational and psychological researchers are now aware that the findings of their studies may not apply to other cultures and that in this age of globalization and multiculturalism it is very important to examine the applicability of psychoeducational constructs to other cultures Understanding learning and motivational characteristics of students of diverse backgrounds will enable educators to develop appropriate curriculum and teaching strategies to motivate these students The aim of this book is to present research findings and views of scholars and researchers in the field of motivation and learning from a multicultural and international perspective Educators and scholars from different parts of the world have examined recent learning and motivation theories in different cultural contexts in order to explore the dynamics of sociocultural processes affecting student motivation Others have focused on teaching and learning strategies that are known to be effective with culturally diverse students
